

ZIG ZIGLAR 1926-2012

Never blame anyone in your life.
Good people give you happiness.
Bad people give you experience.
Worst people give you a lesson.
Best people give you memories.

Life Lessons from Zig Ziglar

1. If you can't drive it, you can't achieve it.
2. A goal properly said is halfway reached.
3. If you want to reach a goal, you must take the "back way" in your own mind before you actually arrive at your goal.
4. Expect the best. Prepare for the worst. Capitalize on what comes.
5. Every choice you make has an end result.
6. It's not what you've got that counts; it's what you can do with it.
7. If you don't see yourself as a winner, you won't win.
8. Positive thinking will let you do everything better than negative thinking will.
9. You cannot take away the situations in life, but you can take away the attitude to the those situations.
10. If you turn from defeat, you haven't really lost.
11. Failure is a detour, not a dead-end corner.
12. Remember that failure is only a word with no meaning.
13. People often say education doesn't last, but when you come back to school, you find it waiting with you.

FAILURE IS A DETOUR,
NOT A DEAD-END
STREET.

know By employing each thoughtfully and practically in your life you can begin to craft the existence you've always dreamed of During his own transformation words such as fragmented frustrated fractured and failed helped him identify where he was in the moment and to earnestly assess where he'd gone wrong in the past In time he enjoyed days that were fine or even fantastic Prioritizing words such as float family faith fun and freedom reminded him of his destination while words such as find forgive forget fix and foxhole helped him to get there faster What he discovered is that these F words can draw us back into alignment with our purpose and goals enabling us to live a more intentional and rewarding life the life of our dreams What does it take to say F it and really mean it To walk away from the circumstances that have you stuck in neutral or worse headed in the wrong direction To reroute your life along a smoother path toward success To live an F It Less life Have you ever just thrown your hands in the air and said F It Been tempted to give in to someone or something you've been resisting Or worse found yourself backed into changes circumstances or even a life you didn't ask for If so you are not alone But thankfully there is now a powerful way to never have to say F It again It begins with reframing the f word and ultimately leads to reframing your life It's a method designed to help you choose the life you want to live rather than blindly accepting the one you've got

Developing Mental Toughness Timothy S. Wakefield, 2009-04 We train people in many areas of life but we seem to forget one critical area training their heads You give me a person that thinks he/she will succeed and they probably will This is a learned behavior A person must be taught how to act react in many different situations This can be the difference between succeeding and not People must be taught how to respond to such things as winning losing failing forward dealing with jealousy refusing to lose competitiveness being coachable teachable goal setting developing passion perseverance work ethic dedication etc It is often said that 80% of life is between the ears We currently focus on training the 20% that is mostly physical This book is designed to give us the tools we need to begin training the 80% the mental portion of life Coupling the physical and the mental aspects of life will assist others in becoming the best they can be This book is about training people to get the best out of their lives Most importantly this book is designed to teach success skills that people can use for the rest of their lives and share with others How will the people you care about learn these skills By chance In the back yard If you don't teach them who will People have to be trained how to use these skills or they will never be able to use them People cannot apply what they do not understand Will you be the one to teach them the success skills they will use for the rest of their lives If not you who If not now when What if nobody taught them This book is a reference that many will use for the rest of their lives
