Crumroy Jr., Otto Crumroy, Stan Kukawka, Frank M. Witman, 1998-10 A field tested, pragmatic and resourceful guide to the daunting and logistically complex management of local church. Pastors generally feel equipped to deal with biblical studies, theological questions, preaching responsibilities and pastoral care. But when it comes to budgets, insurance, fire safety and church management, many find themselves at a loss. Often lay leaders within the congregation flounder with these tasks as well. Here finally is the ultimate reference guide for the practical management of the parish. Originally created as a sourcebook for the authors' week-long course on church management and administration at the Claremont School of Theology, the manual in draft version has been field tested by hundreds of pastors and lay leaders. Not simply a theoretical resource, the Manual provides suggestions for almost every aspect of parish administration: position descriptions, various financial forms, materials for stewardship and Christian education, building use and safety issues, employee record keeping and much more. Whether pastors are just out of seminary or well-seasoned in parish life, the Manual is full of excellent guidelines, tools and forms for improving the management of the parish. **The Book of Resolutions of The United Methodist Church 2020/2024**, 2025-01-01 United Methodists take a stand, make a difference and shape a better future.
