Complete Works of Henry James: Novels, Short Stories, Plays, Essays, Autobiography and Letters Henry James, 2024-01-05

The Complete Works of Henry James presents a monumental anthology of the esteemed author's literary output encompassing not only his novels but also short stories, plays, essays, autobiography, and letters. Characterized by intricate prose and psychological depth, James's works explore themes of consciousness, social dynamics, and cultural juxtaposition, predominantly situated within the nuanced milieu of 19th and early 20th century Europe and America. This compilation allows readers to traverse the breadth of his evolution as a writer, revealing his unique narrative techniques and his meticulous attention to the subtleties of human experience. Henry James, an American expatriate who spent significant time in Europe, was deeply influenced by the artistic and cultural movements of his time. His works often reflect his own transatlantic identity, grappling with the conflicts between American optimism and European sophistication. James's rich intellectual life, spent among contemporaries such as Edith Wharton and Joseph Conrad, informed his distinctive style and keen psychological insights, establishing him as a pivotal figure in literary modernism. For readers seeking an immersive and comprehensive understanding of literary artistry, the Complete Works of Henry James is indispensable. It expertly encapsulates the complexities of human relationships and societal frameworks, making it an essential addition to any literary canon and a profound exploration of a writer whose influence continues to reverberate through modern literature.

The Autobiography an Essays Benjamin Franklin, 1864

Postcolonial Theory and Autobiography David Huddart, 2008-04-18 Cultural theory has often been criticized for covert Eurocentric and universalist tendencies Its concepts and ideas are implicitly applicable to everyone ironing over any individuality or cultural difference Postcolonial theory has challenged these limitations of cultural theory and Postcolonial Theory and Autobiography addresses the central challenge posed by its autobiographical turn Despite the fact that autobiography is frequently dismissed for its Western masculine bias David Huddart argues for its continued relevance as a central explanatory category in understanding postcolonial theory and its relation to subjectivity Focusing on the influence of post structuralist theory on postcolonial

theory and vice versa this study suggests that autobiography constitutes a general philosophical resistance to universal concepts and theories Offering a fresh perspective on familiar critical figures like Edward W Said and Gayatri Chakravorty Spivak by putting them in the context of readings of the work of Jacques Derrida Gilles Deleuze and Alain Badiou this book relates the theory of autobiography to expressions of new universalisms that together with postcolonial theory rethink and extend norms of experience investigation and knowledge
