Unlikely Hero Sean Michael:

Unlikely Hero Sean Michael, 2009-09-01 Eric doesn't know where else to turn when his daughter is kidnapped so he calls on his powerful ex-lover Brock. Brock never expected to hear from Eric again but he never got over the man either. When Eric comes to him to help find the three-year-old Josie, there's no way Brock can turn him down. He has the money and the contacts Eric needs and he can't let Eric walk out of his life again. Not after all these years Brock has no idea what he's letting himself in for. Together Eric and Josie turn Brock's world upside down while they work with police and private security to find the people who took Josie and to keep Eric and Josie safe while they do. Even as they get to know each other again Brock has to fight the feelings he still has for Eric at least for time being which just makes it all that much harder. Can Eric and Brock find out who wants to hurt them before it's too late or will Brock fall off his pedestal as Eric's hero?

Down in the Hole Joy DeLyria, Sean Michael Robinson, 2012-10-30 Down in the Hole humorously reimagines HBO and creator David Simon's *The Wire* as an illustrated Victorian novel. Highly anticipated since its initial online appearance and immediate viral proliferation, first-time authors and ersatz Victorian scholars Joy DeLyria and Sean Michael Robinson have painstakingly created a satirical and fictional world based on the characters and narrative of television's most loved drama. To be published in time to celebrate *The Wire*'s tenth anniversary, Down in the Hole: the unWired World of H.B. Ogden is a collection of excerpts and illustrations from *The Wire*, a Victorian serial novel of DeLyria and Robinson's invention credited to fictional author H.B. Ogden. Excerpts from Ogden's work are knit together by the history of the novel, its author and illustrator, and the adventures of the passionate archivists who uncovered this forgotten text. The Baltimore Sun writes: "This quintessentially Victorian vision of Ogden's *The Wire* is a scintillating piece of faux scholarship. It's set in an alternate universe where the HBO series doesn't exist and where *The Wire* in any form, including Horatio Bucklesby Ogden's, has yet to be discovered." Gawker asks: "So how long before we can actually buy this illustrated version of *The Wire*?" I'd put it on my Amazon wish list now if I could.

Arcadia's Ignoble Knight, Vol. 9 Brandon Varnell, 2022-09-06 Caspian and Elincia have completed their mission in Dorumhold. The slave trading operation has been wiped out and the Sorceress charged with ruling put back in place. Now all that's left is for them to return to Casadinia and report on their success. Or so they believe. But the danger isn't over yet. In fact, it is just beginning. And it all starts when they return to Casadinia and find out that Sylvia is being charged with treason.

The New Republic Herbert David Croly, 1997

Arcadia's Ignoble Knight, Vol. 8 Brandon Varnell, 2022-06-28 Caspian has confronted his past, become stronger both mentally and physically, and defeated the Lich King Fragarach, thus laying his undead mother to rest. But while the Lich King threat has been resolved, another one has cropped up in the port city Dorumhold. The governing noble of the city is suspected of trafficking slaves. Sylvia has requested Caspian and Elincia to look into these allegations and, if proven true, bring the noble in question to justice. What seems like a simple task on the surface proves to be anything but as Elincia and Caspian find themselves contending with something they never

The Battle of Petersburg, June 15-18, 1864 Sean Michael Chick, 2015-04-01 The Battle of Petersburg was the culmination of the Virginia Overland campaign which pitted the Army of the Potomac led by Ulysses S Grant and George Gordon Meade against Robert E Lee's Army of Northern Virginia In spite of having outmaneuvered Lee after three days of battle in which the Confederates at Petersburg were severely outnumbered Union forces failed to take the city and their final futile attack on the fourth day only added to already staggering casualties By holding Petersburg against great odds the Confederacy arguably won its last great strategic victory of the Civil War In The Battle of Petersburg June 15-18 1864 Sean Michael Chick takes an in-depth look at an important battle often overlooked by historians and offers a new perspective on why the Army of the Potomac's leadership from Grant down to his corps commanders could not win a battle in which they held colossal advantages He also discusses the battle's wider context including politics memory and battlefield preservation Highlights

include the role played by African American soldiers on the first day and a detailed retelling of the famed attack of the First Maine Heavy Artillery which lost more men than any other Civil War regiment in a single battle In addition the book has a fresh and nuanced interpretation of the generalships of Grant Meade Lee P G T Beauregard and William Farrar Smith during this critical battle

Enclave Brandon Varnell,2019-09-10 Christian and Lilith barely survived their battle against Asmodeus They were rescued by Clarissa the leader of a succubus enclave who knows far more about Lilith and even Christian than either of them are comfortable with While they are learning more about themselves than they ever realized existed Samantha Tristan and the other Executioners are on their last leg as a plot several hundred years in the making comes to fruition

Dreams of Victory Sean Michael Chick,2022-05-31 Chick does a good job of portraying General Beauregard as the first real hero of the Confederacy who at times proved his own worst enemy The NYMAS Review Few Civil War generals attracted as much debate and controversy as Pierre Gustav Toutant Beauregard He combined brilliance and charisma with arrogance and histrionics He was a Catholic Creole in a society dominated by white Protestants which made him appear exotic next to the likes of Albert Sidney Johnston and Robert E Lee He was reviled by Jefferson Davis and mocked by Mary Chesnut in her diary Yet he was popular with his soldiers and subordinates Outside of Lee he was the South s most consistently successful commander winning at Bull Run defending Charleston in 1863 and defeating Benjamin Butler at Bermuda Hundred and Ulysses Grant and George Meade at Petersburg Yet he lived his life in the shadow of his one major defeat Shiloh Beauregard s career before and after the war was no less tumultuous He was born among the Creole elite of Louisiana but rejected the life of a planter in favor of the military inspired by tales of Napoleon He was considered a shining light of the antebellum army and performed superbly in the Mexican American War Yet he complained about a lack of promotion and made a frustrating stab at being mayor of New Orleans in 1858 After the war he was a successful railroad executive and took a stand against racism violence and corruption during Reconstruction but he was ousted from both railroads he oversaw and his foray into Reconstruction politics came to naught And though he provided for his family and left them a hefty sum after his death the money was mostly gained by working for the corrupt Louisiana Lottery In Dreams of Victory General P G T Beauregard in the Civil War Sean Michael Chick explores a life of contradictions and dreams unrealized in a biography of one of the most fascinating figures of the Civil War
