the advent of print in the fifteenth century Europe's cultural elite assembled personal libraries as refuges from persecutions and pandemics Andrew Hui tells the remarkable story of the Renaissance studiolo a little studio and reveals how these spaces dedicated to self cultivation became both a remedy and a poison for the soul Blending fresh insightful readings of literary and visual works with engaging accounts of his life as an insatiable bookworm Hui traces how humanists from Petrarch to Machiavelli to Montaigne created their own intimate studies He looks at imaginary libraries in Rabelais Cervantes Shakespeare and Marlowe and discusses how Renaissance painters depicted the Virgin Mary and St Jerome as saintly bibliophiles Yet writers of the period also saw a dark side to solitary reading It drove Don Quixote to madness Prospero to exile and Faustus to perdition Hui draws parallels with our own age of information surplus and charts the studiolo's influence on bibliographic fabulists like Jorge Luis Borges and Umberto Eco Beautifully illustrated The Study is at once a celebration of bibliophilia and a critique of bibliomania Incorporating perspectives on Islamic Mughal and Chinese book cultures it offers a timely and eloquent meditation on the ways we read and misread today     **Unpacking My Library** Jo Steffens,2009 This work provides an intimate look at the personal libraries of 14 of the world's leading architects alongside conversations about the significance of books to their careers and lives     **Libraries in Literature** Alice Crawford,Robert Crawford,2022 A collection that explores how libraries have been represented in English language fiction drama and poetry from the early modern period to the present day This accessible volume covers literature from Don Quixote to the work of M R James Agatha Christie and Haruki Murakami and draws together original essays by prestigious contributors     Female Sexuality Donna Bassin,1999 Reading the inherited paper along with the contemporary essay provides a rare opportunity for a reader to experience the development of new ideas with their own integrity from the past

*The Post-colonial Question* Iain Chambers,Lidia Curti,1996 Brings together renowned and emerging critical voices to respond to the questions raised by the concept of the post colonial The contributors explore the diverse cultures which are shaping our global future     Baroque Self-Invention and Historical Truth Christopher Braider,2017-03-02 In his monumental study Christopher Braider explores the dialectical contest between history and truth that defines the period of cultural transition called the baroque For example Annibale Carracci's portrayal of the Stoic legend of Hercules at the Crossroads departs from earlier more static representations that depict an emblematic demigod who has already rejected the fallen path of worldly Pleasure for the upward road of heroic Virtue Braider argues that in breaking with tradition in order to portray a tragic soliloquist whose dominant trait is agonized indecision Carracci joins other baroque artists poets and philosophers in rehearsing the historical dilemma of choice itself Carracci's picture thus becomes a framing device that illuminates phenomena as diverse as the construction of gender in baroque painting and science the Pauline ontology of art in Caravaggio and Rembrandt the metaphysics of baroque soliloquy and the dismantling of Cartesian dualism in Cyrano de Bergerac and Pascal     **American Philanthropy at Home and Abroad** Ben Offiler,Rachel Williams,2022-08-11 American

Philanthropy at Home and Abroad explores the different ways in which charities voluntary associations religious organisations philanthropic foundations and other non state actors have engaged with traditions of giving Using examples from the late eighteenth century to the Cold War the collection addresses a number of major themes in the history of philanthropy in the United States These examples include the role of religion the significance of cultural networks and the interplay between civil diplomacy and international development as well as individual case studies that challenge the very notion of philanthropy as a social good Led by Ben Offiler and Rachel Williams the authors demonstrate the benefits of embracing a broad definition of philanthropy examining how American concepts including benevolence and charity have been used and interpreted by different groups and individuals in an effort to shape and at least nominally to improve people s lives both within and beyond the United States

*Imagining Jewish Art* Aaron Rosen,2017-07-05 Short listed for the Art and Christian Enquiry Mercers International Book Award 2009 a book which makes an outstanding contribution to the dialogue between religious faith and the visual arts What does modern Jewish art look like Where many scholars critics and curators have gone searching for the essence of Jewish art in Biblical illustrations and other traditional subjects Rosen sets out to discover Jewishness in unlikely places How he asks have modern Jewish painters explored their Jewish identity using an artistic past which is by and large non Jewish In this new book we encounter some of the great works of Western art history through Jewish eyes We see Matthias Grunewald s Isenheim Altarpiece re imagined by Marc Chagall 1887 1985 traces of Paolo Uccello and Piero della Francesca in Philip Guston 1913 1980 and images by Diego Velazquez and Paul Cezanne studiously reworked by R B Kitaj 1932 2007 This highly comparative study draws on theological philosophical and literary sources from Franz Rosenzweig to Franz Kafka and Philip Roth Rosen deepens our understanding not only of Chagall Guston and Kitaj but also of how art might serve as a key resource for rethinking such fundamental Jewish concepts as family tradition and homeland

*The Network Reshapes the Library* Lorcan Dempsey,2014-08-18 Since he began posting in 2003 Dempsey has used his blog to explore nearly every important facet of library technology from the emergence of Web 2 0 as a concept to open source ILS tools and the push to web scale library management systems

**A New Vocabulary for Global Modernism** Eric Hayot,Rebecca L. Walkowitz,2016-11-29 Bringing together leading critics and literary scholars A New Vocabulary for Global Modernism argues for new ways of understanding the nature and development of twentieth century literature and culture Scholars have largely understood modernism as an American and European phenomenon Those parameters have expanded in recent decades but the incorporation of multiple origins and influences has often been tied to older conceptual frameworks that make it difficult to think of modernism globally Providing alternative approaches A New Vocabulary for Global Modernism introduces pathways through global archives and new frameworks that offer a richer more representative set of concepts for the analysis of literary and cultural works In separate essays each inspired by a critical term this collection explores what happens to the foundational concepts of modernism and the methods we bring to

modernist studies when we approach the field as a global phenomenon Their work transforms the intellectual paradigms we have long associated with modernism such as tradition antiquity style and translation New paradigms such as context slum copy pantomime and puppets emerge as the archive extends beyond its European center In bringing together and reexamining the familiar as well as the emergent the contributors to this volume offer an invaluable and original approach to studying the intersection of world literature and modernist studies      *The Broadview Introduction to Book History* Michelle Levy, Tom Mole, 2017-04-30 Book history has emerged in the last twenty years as one of the most important new fields of interdisciplinary study It has produced new interpretations of major historical events has made possible new approaches to history literature media and culture and presents a distinctive historical perspective on current debates about the future of the book *The Broadview Introduction to Book History* provides the most comprehensive and up to date introduction to this field Written in a lively accessible style chapters on materiality textuality printing and reading intermediality and remediation guide readers through numerous key concepts illustrated with examples from literary texts and historical documents produced across a wide historical range An ideal text for undergraduate and graduate courses in book history it offers a road map to this dynamic interdisciplinary field      **What a Library Means to a Woman** Sheila Liming, 2020-04-28 Examining the personal library and the making of self When writer Edith Wharton died in 1937 without any children her library of more than five thousand volumes was divided and subsequently sold Decades later it was reassembled and returned to The Mount her historic Massachusetts estate *What a Library Means to a Woman* examines personal libraries as technologies of self creation in modern America focusing on Wharton and her remarkable collection of books Sheila Liming explores the connection between libraries and self making in late nineteenth and early twentieth century American culture from the 1860s to the 1930s She tells the story of Wharton's library in concert with Wharton scholarship and treatises from this era concerning the wider fields of book history material and print culture and the histories and pathologies of collecting Liming's study blends literary and historical analysis while engaging with modern discussions about gender inheritance and hoarding It offers a review of the many meanings of a library collection while reading one specific collection in light of its owner's literary celebrity *What a Library Means to a Woman* was born from Liming's ongoing work digitizing the Wharton library collection It ultimately argues for a multifaceted understanding of authorship by linking Wharton's literary persona to her library which was as she saw it the site of her self making      **What Is a Classic?** Ankhi Mukherjee, 2013-11-13 *What Is a Classic* revisits the famous question posed by critics from Sainte Beuve and T S Eliot to J M Coetzee to ask how classics emanate from postcolonial histories and societies Exploring definitive trends in twentieth and twenty first century English and Anglophone literature Ankhi Mukherjee demonstrates the relevance of the question of the classic for the global politics of identifying and perpetuating so called core texts Emergent canons are scrutinized in the context of the wider cultural phenomena of book prizes the translation and distribution of world literatures and multimedia adaptations of world classics

Throughout Mukherjee attunes traditional literary critical concerns to the value contestations mobilizing postcolonial and world literature The breadth of debates and topics she addresses as well as the book s ambitious historical schema which includes South Asia Africa the Middle East the West Indies Australia New Zealand Europe and North America set this study apart from related titles on the bookshelf today *Academic Diary* Les Back,2016-05-06 Sharp and witty observations of academic life that range from the local to the global from PowerPoint to the halls of power Is a university education still relevant What are the forces that threaten it Should academics ever be allowed near Twitter In *Academic Diary* Les Back has chronicled three decades of his academic career turning his sharp and often satirical eye to the everyday aspects of life on campus and the larger forces that are reshaping it Presented as a collection of entries from a single academic year the diary moves from the local to the global from PowerPoint to the halls of power With entries like Ivory Towers and The Library Angel these smart humorous and sometimes absurd campus tales not only demystify the opaque rituals of scholarship but also offer a personal perspective on the far reaching issues of university life Commenting on topics that range from the impact of commercialization and fee increases to measurement and auditing research the diary offers a critical analysis of higher education today At the same time it is a passionate argument for the life of the mind the importance of collaborative thinking and the reasons that scholarship and writing are still vital for making sense of our troubled and divided world
