Unraveling Second Chances English Edition:

Unraveled Domino Winston, 2009-11 Christine Phillips is a forty year old married woman with a son starting college. Freed from her day to day maternal responsibilities she desires a release from her marital obligation and embarks on a journey of her own with some unforeseen complications. America Unraveled Phillip Torsrud, 2012-10 Most Americans are concerned about their politicians inability to identify much less solve their nation's problems. *America Unraveled* explores a number of America's most pressing social issues: the economy, justice system, culture and many historical events occurring between 2008 and 2012. Incompetence is attacked in a bipartisan manner with the author's loyalty going to truth, common sense and logic. Why should any American have allegiance to Democrats or Republicans when they seem so preoccupied with serving the private interests of their big money supporters? If you are looking for real constructive criticism this book is for you. Phillip Torsrud has also written *Preemptive Strike* which is a novel on human trafficking and *Essays of a Penitentiary Philosopher* which explores the structural failings of America's Justice system. While many of the topics addressed in *America Unraveled* are complicated, the simple and direct style of writing makes the reading not only easy but enjoyable.
