

## 'Society and the Individual'

### Unseen Prose Non-Fiction – Component 2 (Section A)

**Name:**.....

#### **Component 2: Varieties in Language and Literature**

Component 2 focuses on the ways in which different writers convey their thoughts or ideas on a theme in literary and non-fiction writing. Throughout this course, you have developed your understanding of how writers use language techniques and literary devices to craft their work and communicate ideas or issues, making connections between texts as well as looking at the significance and influence of the contexts in which they were produced and received.

In addition to the study of 'The Great Gatsby' and 'Othello', with a focus on the theme of 'Society and the Individual', you will also be expected to read widely across a range of non-fiction genres in preparation for responding to an unseen extract in Section A of the examination. This will be the focus of this module.

Section A involves the analysis of one unseen extract. You are expected to present an organised, fluent commentary on the writer's choice of structure, form and language, making inferences on how these authorial choices are shaped by the attitudes, values and ideas detectable in the text, and from their wider knowledge of any contextual forces exerting pressure upon the writing. You should show evidence of broad understanding of the theme 'Society and the Individual' in your analysis, using it to enrich the specific discussion of the passage presented for analysis. *Where have you used these skills, previously?* Whereas Paper 1 focuses on the creation of 'voices' in speech and writing, Paper 2 focuses more on how writers convey themes and issues in texts.
