University Of Wits Prospectus 2014:

Global University Rankings and the Mediatization of Higher Education Michelle Stack, 2016-04-12 Higher Education Institutions simultaneously critique and participate in national and international rankings of universities. However, this creates a difficult situation since if universities do participate in rankings, they acquiesce to a system based in media logics that has little to do with academic norms of research. If they do not participate in the rankings, they risk losing public funding, students, and donors in an increasingly competitive and globalized environment. This book delves into the influence of journalists, business tycoons, and multinational corporations in defining what world class is and how it will be measured. Rankings provide us with a rich study for understanding how universities define, deploy, and manage their assets and liabilities in a mediatized, globalized economy.

The Strategic Repositioning of Arts, Culture and Heritage in the 21st Century George Mugovhani, Owen Seda, 2018-06-11 The post-millennium world has been experiencing several recognisable historical milestones with regard to arts, culture, and heritage. One of these has been the resuscitation and revival of creative elements of the arts, culture, and heritage of previously marginalised or disadvantaged communities around the world. Until recently, there had been scant regard and skewed allocation of resources for these, but lately, attempts have been made to promote and sustain them in order to enable the socio-economic aspirations of a multicultural society. The contributions brought together here are the product of papers that were presented during a conference on Strategic Repositioning of Arts, Culture and Heritage in the 21st Century. They cover a broad spectrum of subjects such as indigeneity, music, song, and identity politics, national reconciliation, education, product development, and national development.

Artefacts of Writing Peter D. McDonald, 2017-10-11 Some forms of literature interfere with the workings of the literate brain, posing a challenge to readers of all kinds, including professional literary critics. In *Artefacts of Writing*, Peter D. McDonald argues they pose as much of a challenge to the way states conceptualise language, culture, and community. Drawing on a wealth of evidence from Victorian scholarly disputes over the identity of the English language to the constitutional debates about its future in Ireland, India, and South Africa, and from the quarrels over the idea of culture within the League of Nations in the interwar years to UNESCO's ongoing struggle to articulate a viable concept of diversity, McDonald brings together a large ensemble of legacy writers, including T. S. Eliot, James Joyce, and Rabindranath Tagore, putting them in dialogue with each other and with the policy makers who shaped the formation of modern states and the history of internationalist thought from the 1860s to the 1940s. In the second part of the book, he reflects on the continuing evolution of these dialogues, showing how a varied array of more contemporary writers, from Amit Chaudhuri, J. M. Coetzee, and Salman Rushdie to Antjie Krog, Arvind Krishna Mehrotra, and Es'kia Mphahlele, cast new light on a range of questions concerning education, literacy, human rights, translation, indigenous knowledge, and cultural diversity that have preoccupied UNESCO since 1945. At once a novel contribution to institutional and intellectual history and an innovative exercise in literary and philosophical analysis, *Artefacts of Writing*

affords a unique perspective on literature's place at the centre of some of the most fraught often lethal public controversies that defined the long twentieth century and that continue to haunt us today The Changing Space Economy of City-Regions Koech Cheruiyot, 2017-10-30 This book addresses the South African Space Economy and its stark disparities and dualisms through an assessment of the Gauteng City Region the largest economic agglomeration in the country and on a continent bedevilled by a myriad of development challenges The book's focus on understanding the overall character of Gauteng City Region's Space Economy through data mining analysis and mapping comprehensively supplements the Space Economy literature on the region It covers the disparities exacerbated by an overlay of apartheid planning ideology and top down regional development based on selective encouragement of manufacturing investments in growth points or poles and how implementation of past policies intended to cure these disparities have yielded mixed results This book further offers the Gauteng City Region as a microcosm of the national economy in the form of evident significant placed based variations in the intensity and character of economic structure that on the one hand enjoys massive agglomeration economies while on the other has high levels of poverty and large numbers of people living below the Minimum Living Level This book should appeal to urban studies specialists economists and development studies researchers in the Global South **Mining Intelligence and Knowledge Exploration** Rajendra Prasath, Philip O'Reilly, T. [Reading William Gilmore](#)

Simms Todd Hagstette, 2017-08-10 Engaging approaches to the vast output of South Carolina's premier man of letters William Gilmore Simms was the best known and certainly the most accomplished writer of the mid nineteenth century South. His literary ascent began early with his first book being published when he was nineteen years old and his reputation as a literary genius secured before he turned thirty. Over a career that spanned nearly forty five years he established himself as the American South's premier man of letters, an accomplished poet, novelist, short fiction writer, essayist, historian, dramatist, cultural journalist, biographer, and editor. In *Reading William Gilmore Simms* Todd Hagstette has created an anthology of critical introductions to Simms's major publications including those recently brought back into print by the University of South Carolina Press, offering the first ever primer compendium of the author's vast output. Simms was a Renaissance man of American letters, lauded in his time by both popular audiences and literary icons alike. Yet the author's extensive output, which includes nearly eighty published volumes, can be a barrier to his study. To create a gateway to reading and studying Simms, Hagstette has assembled thirty eight essays by twenty four scholars to review fifty five Simms works. Addressing all the author's major works, the essays provide introductory information and scholarly analysis of the most crucial features of Simms's literary achievement. Arranged alphabetically by title for easy access, the book also features a topical index for more targeted inquiry into Simms's canon. Detailing the great variety and astonishing consistency of Simms's thought throughout his long career, as well as examining his posthumous reconsideration, *Reading William Gilmore Simms* bridges the author's genius and readers' growing curiosity. The only work of its kind, this book provides an essential passport to the far flung worlds of Simms's fecund imagination. **The Publisher**, 1916 The Publishers' Circular and Booksellers' Record, 1916

Publishers' Circular and Booksellers' Record of British and Foreign Literature, 1916 Catalog University of Illinois at Urbana-Champaign. Library. Rare Book Room, 1972 **The Concise Oxford Companion to American Literature** James D. Hart, Wendy Martin, Danielle Hinrichs, 2021-01-21 For nearly half a century James D Hart's Oxford Companion to American Literature has offered a matchless guided tour through American literary culture, both past and present, with brief biographies of important authors, descriptions of important literary movements, and a wealth of information on other aspects of American literary life and history from the Colonial period to the present day. In this second edition of the Concise version, Wendy Martin and Danielle Hinrichs bring the work up to date to more fully reflect the diversity of the subject. Their priorities have been foremost to fully represent the impact of writers of color and women writers on the field of American literature and to increase the usefulness of the work to students of literary theory. To this end, over 230 new entries have been added, including many that cover women authors, Native American, African American, Asian American, Latino, and other contemporary ethnic literatures, LGBT, trans, and queer studies, and recent literary movements and evolving areas of contemporary relevance such as eco criticism, disability studies, whiteness studies, male masculinity studies, and diaspora studies. **British Books**, 1916 Foreign Direct Investment, Trade and Economic Growth Shahid Ahmed, 2014-04-17 This

The Top Books of the Year University Of Wits Prospectus 2014 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. University Of Wits Prospectus 2014 : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. University Of Wits Prospectus 2014 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. University Of Wits Prospectus 2014 : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
