several dead languages Norman French Vulgate Latin a tiny bit of Greek and last but not least Middle English A basic introduction to their contributions to today s written English can go a long way toward reducing the student s inevitable stress and confusion But this will be the subject of another book to be written in UNSPELL of course Home schoolers Special Education teachers English as a Second Language teachers and Adult Literacy teachers are all encouraged to give UNSPELL careful consideration The Compact Edition of the Oxford English Dictionary Sir James Augustus Henry Murray,1971
