Preston,2022-10-31 It started on the Magdalena River the 1960s when life had been simple and reassuring A river and pueblos ready to absorb the gospel message her Christian missionary family would bring A river where Ellie suddenly changed that birthday when two books arrived Uncle Tom s Cabin about American slavery and The Diary of a Young Girl by Anne Frank with its Nazi overlay Books full of sorrow and evil that she d never heard of so different to past tales of romance and happy endings Now it became a painful time when life was no longer simple her parents whose Bible message had always seemed purposeful and right and her mentor the ex priest with secrets of his own teaching her compassion and mercy Also Aunt Lizzie an irreverent model of womanhood and freedom for Ellie to observe And high on the admiration scale was Dr Britten that wonderful man living a wealthy secluded life behind the river This is a coming of age story An honest unflinching look at Ellie young and lonely trying to hold onto innocence while at the same time struggling to define her own belief system as events begin to crash down around her Who can she trust and is she strong enough to succeed and run with that freedom she optimistically craves **Dawn of Unity** Nitish Sharma,2022-08-29 Beliefs shattered two magically linked are called to seek truth Seventeen year old Will escapes from prison six years after his false conviction for murder Found by a knight who lets Will serve as a squire Will takes the knight s mercy and follows him to war He ll protect against infidels proving to the kingdom he s not the monster they assume he is and be seen kindly again As a child when he burned a souk Ahmed was terrified Now sixteen Ahmed is confident he s improved Seeking to become grand vizier and bring prestige to his family is everything he thought he wanted The sultan s test remains bring an enemy to the capital He heads to war believing that an enemy s capture is a small price for the sultan s blessing They re dangerous anyway Gems of powerful magic bring them together as kingdom and sultanate ravage each other over ignorance and religious zeal nearing collapse They re mortal enemies their monarchs say but when Will and Ahmed meet amid fear and mistrust they learn to like each other Their actions no longer seem right and their gems show a resolution But who are two boys to effect change when those more likely have failed **Tutorial Therapy** D. Bovill,2012-12-06 Dr Bovill is a remarkable person and this book is an eloquent expression of remarkable achievement When some seven years ago I came to the North West from the relative psychotherapeutic luxury of London I was amazed to discover a busy whole time general psychiatrist who claimed that she and her staff were giving a comprehensive service for the treatment of psycho neurosis by psychological means I did not accept the facts but I believed in the genuineness of the person Diana Bovill After careful observa tion and enquiry my initial scepticism turned to admiration I do not know of any psychotherapist who before has provided such skilled therapy for so many people at once Another and in some ways greater surprise awaited me Dr Bovill has consistently dedicatedly striven to describe clearly and

to evaluate scientifically her work an attempt all too rare amongst psycho therapists Entering psychiatry at a somewhat advanced age she achieved the rare and perhaps unique distinction of being awarded a Doctorate of Medicine at London University for a study in psycho therapy research approved by the doyen of British psychiatry Sir Aubrey Lewis
