statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book Revelations of a Melchizedek Initiate Joshua David Stone,1998-10-01 This book traces the author s journey of ascension through the seven levels of initiation through the process of anchoring and activating his fifty chakras expanding to a 99 percent light quotient then on to anchoring and fully activating all twelve bodies which include the five higher bodies Exactly how this is done is shared and in depth information is given on the workings of the inner plane ashram under the guidance of Djwhal Khul Lord Maitreya and Lord Melchizedek You are invited to journey with him as he unfolds the process of his initiations beginning at the sixth moving through the equivalent of the tenth initiation and into the beginning of the eleventh Written as a personal log this book shares in an open and candid manner dreams meditations conversations with the masters spiritual background thoughts and reflections and actual ascension experiences *Sedona Vortex 2000* Richard Dannelley,2001-01-02 Celebrate the Secrets of Sedona Richard Dannelley presents exciting new material about the vortices based on many years of personal observation and research You ll discover how the Earth creates vortices and you ll experience Sedona s healing energies This book also incorporates material from Richard s other books *Sedona Power Spot Vortex* and *Medicine Wheel Guide* *Sedona Beyond the Vortex* and *Sedona UFO Connection* The Bible Revealed from the Ascended Masters Perspective Joshua D.
