The Ladykiller English Edition:

The Lady Killer Masako Togawa, 2018-10-30 A dizzying tale of lust mystery and murder from a beloved Japanese crime fiction author and LGBT icon The Lady Killer leads a double life in Tokyo's shadowy underworld By day he is a devoted husband and hard worker by night he cruises cabaret bars and nightclubs in search of lonely single women to seduce But now the hunter is being hunted and in his wake lies a trail of gruesome murders Who is the culprit The answer lies tangled in a web of clues and to find it he must accept that nothing is what it seems The Lady Killer pulls from author Masako Togawa's vibrant personal life as a cabaret performer for Tokyo's gay nightclub scene during the 50s and 60s Throughout her writing career Togawa continued to champion the LGBT community as a queer woman sealing her reputation as one of Japan's most prominent crime fiction authors and LGBT heroines Lady Killer Michele Jaffe, 2014-01-05 The sexy breathtaking

wonderfully original mystery in which a murderer returns from the dead and is hell bent on killing again Jane Feather New York Times bestselling author of *An Unsuitable Bride* A stridently independent woman in sixteenth century London Clio Thornton's interest in solving mysteries has put her at odds with her wealthy family But given her coterie of unorthodox friends and her pet monkey Toast that is nothing new So when she stumbles upon a grisly murder she's determined to investigate even when all of her discoveries point to an impossible killer the Vampire of London vanquished three years ago by Viscount Miles Loredan her cousin's husband to be Miles finds her theories impossible to believe But intrigued by her passion and her beauty Miles agrees to hire her and support her investigation What starts as a professional relationship soon becomes personal and dangerous Not only because Miles is betrothed to another woman but because Clio has become the Vampire's next target For lovers of puzzling mysteries romantic histories or just good old fashioned sleuthing this is a fast fun read from a writer to watch Publishers Weekly Boarding Out David Faflik, 2012-09-30 Driven by intensive

industrialization and urbanization the nineteenth century saw radical transformations in every facet of life in the United States Immigrants and rural Americans poured into the nation's cities often ahead of or without their families As city dwellers adapted to the new metropolis boarding out became for a few short decades the most popular form of urban domesticity in the United States While boarding's historical importance is indisputable its role in the period's literary production has been overlooked In *Boarding Out* David Faflik argues that the urban American boardinghouse exerted a decisive shaping power on the period's writers and writings Addressing the works of canonical authors such as Henry David Thoreau Nathaniel Hawthorne and Oliver Wendell Holmes as well as neglected popular writers of the era such as Fanny Fern and George Lippard Faflik demonstrates that boarding was at once psychically artistically and materially central in the making of our shared American culture A Critical Dictionary of English Literature and British and American Authors
