Gift from Carolina Holley Trent, 2014-11-25 No one expected a womanizer like Joachim Mojo Koch to experience love at first sight, much less Mojo himself, but he's become the newest victim of the Storaflåt Switch. Now that he's met new schoolteacher Derrin Copeland, he sees the light. In a place where men outnumber women two to one, cowboys have to straighten up and fly right if they want to win a lady, and Derrin's got the quiet fortitude that makes Mojo want to settle down. Unfortunately, his own family doubts he can hack it. He worries that they're right. Derrin didn't move to Wyoming on Christmas Eve to find a man, but now she can't imagine being without one. In particular, Mojo's the perfect balance to her timid reclusiveness; he makes her want to connect instead of hide. In fact, he could be the bridge joining her to her new community. But just when she thinks she's gotten the charmingly assertive ranch hand figured out, he flips the script. Something's holding Mojo back. Holiday magic might have brought them together, but maybe now it's up to the wallflower to keep them from drifting apart.

Night Shift Maritta Wolff, 2008-12-09 Sally Otis works as a waitress in order to support her three children and a jobless younger sister. They live in a down-trodden apartment house which they share with other working-class tenants. Her husband is in a State mental hospital and most likely there for good. Her deadbeat younger brother and a lodger from across the hall pay board to eat in her crowded little flat. As Christmas approaches, there is no money for gifts and no prospect of her husband returning home. As her burden becomes intolerable, Sally's sturdy courage begins to falter. To make matters worse, the sleazy, suspicious owner of the local night club, Nick Toresca, takes a fancy to Sally and won't leave her alone. As he is the brother of her boss at the greasy spoon, she is in no position to call the shots. Things are shaken up when Sally's sister, the swaggering, glamorous independent Petey Braun, appears on the scene. All loud laugh, deep voice, self-confident aplomb, and worldly generosity, Petey grabs the spotlight and centre of the stage and never lets them go. She is an American career woman, one who makes a career of men; she is a master of her trade. To give Sally a break, Petey sets about to dazzle Nick so that he has no eyes for Sally. Nothing is straightforward when Petey gets involved, however, so what follows is a swift-paced tale of tension, excitement, and sibling rivalry as the very different worlds of Sally and Petey collide.
