The German Cabaret Legacy in American Popular Music William Farina,2013-01-28 The stylistic remnants of cabaret music from Weimar era Germany are all around us During the 20th century its most prominent American exponents were the Germans Marlene Dietrich and Lotte Lenya whose careers extended through the 1970s Because of them and others the words and music of such artists as Kurt Weill Bertolt Brecht Friedrich Hollaender and Marcellus Schiffer continue to be heard and exert widespread influence Major songwriters touched by cabaret include Lennon McCartney Bacharach David Kander Ebb Bob Dylan Randy Newman and Patti Smith among many others African American artists beginning with Louis Armstrong have been sympathetic interpreters of cabaret music Modern day Las Vegas appears to be the fulfillment of a prophecy made in the late 1920s by Weill Brecht in their Mahagonny stage works And today the German Kabarett tradition remains strong with such stars as Ute Lemper and Max Raabe packing international venues

The Decisions to Open a Relationship James K. Beggan,2023-09-11 The unique contribution of The Decisions to Open a Relationship To Three or Not to Three is how James K Beggan considers the social and psychological processes involved in how someone makes the decision to transition from a monogamous to a consensually nonmonogamous

relationship Informed by extensive research drawn from sociology psychology and the decision making literature Beggan provides a comprehensive analysis of processes associated with expressing the desire to open a previously closed romantic relationship with special emphasis on the unique dynamics of the triad His analysis provides valuable insights into managing jealousy maintaining trust and establishing healthy boundaries He examines moral issues associated with breaking the promise of a monogamous relationship to satisfy goals related to personal growth The book addresses issues related to intersectionality that involve sexual orientation gender identity and race People and Societies Luk van Langenhove,2010-04-05 Rom Harr has authored an impressive oeuvre that has inspired generations of scholars and practioners His work has challenged the orthodox philosophy of science and social psychology The book brings together a careful selection of his key writings that gives readers a systematic introduction in the conceptual universe of this towering figure Interpretation from A to Z Philip McShane,2020-03-25 McShane s broad interest is in finding a full effective cultural basis of a future humanity In The Future Core Precepts in Supramolecular Method and Nanochemistry 2019 he expressed what he considers the effective road forward The present book enlarges on that reach The effective road involves a clear operative distinction between the negative Anthropocene in which we presently live shabbily and destructively and the positive Anthropocene towards which we must work slowly and democratically against empires of idiocy by tuning into the chemistry of our desires This little book moves along with many twists and turns but it is also a straightforward help to begin to read properly the two main treatments by Lonergan of the topic of Interpretation Section 3 of chapter 17 of Insight and chapter 7 of Method in Theology **The Handbook of Family Dispute Resolution** Alison Taylor,2012-07-12 No matter your profession attorney clinician family therapist or skill level seasoned professional or novice The Handbook of Family Dispute Resolution is an invaluable resource that outlines the most effective mediation approaches techniques and skills The Handbook of Family Dispute Resolution is a practical and comprehensive guide that includes A review of professional ethics and standards Help for attorneys who are not trained in the skills needed for working with families Information about cultural issues that affect families during mediation Highlights of key legal and negotiation skills Guidelines for understanding complex family dynamics and conflicts A screening tool for evaluating domestic violence A matrix for starting discussions of parenting plans based on children s needs An examination of specialized practices for family mediation Direction for assessing one s professional approach to family mediation Three Men and a Dog on a Rock Didier Lucien Poppe,2019-08-08 This is the story of three young men spending their holidays in New Caledonia and deciding to start with some local sporting experiences So they try for sailing horse trekking golf Bowling P tanque tennis Cycling bowling Judo Fencing wind surfing Rodeo etc etc Always of course with more or less success and funny experiences In the same time they discover some of the island s life and history The dog itself is a very special character on his own It is a combination of French and English humour with considerations on the French way of life and on our actual society behaviours It can be seen

as a transposition or suite of the famous English classic Three men in a boat by J K Jer me in a different time and different place but the spirit is the same Most of the adventures and the three main characters have happened really and are still living The author Didier Lucien POPPE is more well known as an International Track and field coach working with high performances athletes since many years at Olympics and World championships level See U tube web site

The Structure and Development of Self-Consciousness Dan Zahavi,Thor Grünbaum,Josef Parnas,2004-09-23 Self consciousness is a topic of considerable importance to a variety of empirical and theoretical disciplines such as developmental and social psychology cognitive neuroscience psychiatry and philosophy This volume presents essays on self consciousness by prominent psychologists cognitive neurologists and philosophers Some of the topics included are the infants sense of self and others theory of mind phenomenology of embodiment neural mechanisms of action attribution and hermeneutics of the self A number of these essays argue in turn that empirical findings in developmental psychology phenomenological analyses of embodiment or studies of pathological self experiences point to the existence of a type of self consciousness that does not require any explicit I thought or self observation but is more adequately described as a pre reflective embodied form of self familiarity The different contributions in the volume amply demonstrate that self consciousness is a complex multifaceted phenomenon that calls for an integration of different complementary interdisciplinary perspectives Series B

Rhetoric and Argumentation in the Beginning of the XX Century Henrique Jales Ribeiro,2009-12-01 This book is the edition of the Proceedings of the International Colloquium Rhetoric and Argumentation in the Beginning of the XXist Century which was held at the Faculty of Letters of the University of Coimbra in October 2 4 2008 and was organized by Henrique Jales Ribeiro Joaquim Neves Vicente and Rui Alexandre Gr cio The main purpose of the Colloquium was to commemorate the publication in 1958 of the books La nouvelle rh torique Trait de l argumentation and The Uses of Arguments by respectively C Perelman L Olbrechts Tyteca and S Toulmin But another important goal was to take stock of the state of rhetoric and argumentation theory at the beginning of a new century It was a unique event without parallel in Portugal and worldwide considering its theme and its aims which gathered some of the World s most renowned rhetoric and argumentation theorists Alan Gross Douglas Walton Erik Krabbe Frans V Eemeren F Snoeck Henkemans Guy Haarscher John Anthony Blair Marianne

Doury Oswald Ducrot Ruth Amossy The book includes a variety of very important contributions to rhetoric and argumentation theory ranging from those that naturally fall within the subject matter to the areas of philosophy linguistics communication theory education theory and law theory The art as it was called in the Medieval curricula is no longer a discipline amongst others and has become according to the view of some specialists and largely owing to Perelman and Toulmin influences a new paradigm of rationality for our age which auspiciously encompasses all fields of knowledge and culture The book is divided into five parts I Historical and philosophical studies on the influences of Perelman and Toulmin II Studies in argumentation theory III Linguistic approaches to argumentation theory IV Rhetoric and communication theory education theory approaches to argumentation and V Law theory approaches to argumentation Psalms Stephen B. Dawes, 2010 Many students are unfamiliar with the Old Testament and struggle to access it with the exception of the Psalms which are more familiar through their use in Christian worship and yet offer insights into the world of the Old Testament This book introduces the readers to the Psalms and the mainstream scholarship on the Psalms **Talking to Learn** Pauline Jones, Jennifer Hammond, 2018-10-09 This book examines the place of talk in learning and the role of such talk in literacy education It builds on a strong tradition of research into the role of talk in constructing curriculum knowledge the relationship between talking and thinking and the significance of extended in depth dialogic interaction in classroom talk However it differs from tradition with its emphasis on the need to make the role of language in learning more visible and more explicit This book places particular emphasis on the relationship between dialogic pedagogy and language based approaches to learning Contributions range from discussions on educational linguistics and dialogic pedagogy as complementary perspectives to needs of students for whom English is an additional language or dialect This volume was originally published as a special issue of Research Papers in Education
