collaboration sparks an unexpected connection mirroring the very phenomenon they're studying. Their shared grief intertwines with burgeoning attraction; their bond visualized within the Harmonizer as a dazzling symphony of light. But the Lumina isn't a paradise. It's a realm of raw emotion where unresolved traumas manifest as shadowy entities and the Null's sinister plan threatens to force all of humanity into this beautiful, terrifying dimension. Within the Lumina's radiant depths, Aurora and Ray must confront not only a scientific enigma but also the ghosts of their own pasts. Their journey challenges the boundaries of reality, forcing them to question the nature of love, loss, and the potential for human consciousness to transcend its physical form. Can they stop the Null and save humanity from a fate worse than oblivion? Or will they too succumb to the seductive light between us?

The Light Between Us Box Set Thomas Grant Bruso, 2017-10-21. When author Christian Rivers meets Milestone County's Sheriff Philip Erickson, a spark of attraction flickers between them. The three stories in this collection fan the flames of that attraction and the love Christian and Philip share. Within these pages, it contains the stories: *A Light in the Dark* (Author Christian Rivers has ended a five-year relationship with his boyfriend Russ but is suddenly propelled back into the scene when he phones Milestone County Sheriff Philip Erickson about an animal cruelty case. What follows for both men is surprisingly satisfying), *Winter's Light* (A week before Christmas, Christian and Philip move in together, balancing a relationship, a book tour, the approaching holiday, and the imminent arrival of in-laws; he also juggles the hassle of running into his ex-boyfriend and dealing with his sister who shows up uninvited. Will new year start with an even deeper commitment to one another or end up on the rocks after the holidays?), *Heaven's Light* (Christian receives the phone call he's been dreading for six months: His father has died. Flying home to Arizona with his husband Philip, Christian arrives in Glendale to a family in chaos. Fraught with his own demons, will Christian be strong enough to soldier on and battle the challenges that await him when he arrives home to say a final goodbye to the man he called Dad).

This Light Between Us Andrew Fukuda, 2025-09-23. Winner of the American Library Association's Asian Pacific American Award for Literature. For readers of *The Librarian of Auschwitz*, *This Light Between Us* is a powerfully affecting story of World War II about the unlikelyst of pen pals: a Japanese American boy and a French Jewish girl as they fight to maintain hope in a time of war. I remember visiting Manzanar and standing in the windswept plains where over ten thousand internees were once imprisoned; their voices cut off. I remember how much I wanted to write a story that did right by them. Hopefully, this book delivers. In 1935, ten-year-old Alex Maki from Bainbridge Island, Washington, is disgusted when he's forced to become pen pals with Charlie Levy of Paris, France, a girl. He thought she was a boy. In spite of Alex's reluctance, their letters continue to fly across the Atlantic, and along with them, the shared hopes and dreams of friendship. Until the Japanese attack on Pearl Harbor and the growing Nazi persecution of Jews force them to confront the darkest aspects of human nature. From the desolation of an internment camp on the plains of Manzanar to the horrors of Auschwitz and the devastation of European battlefields, the only thing they can hold onto are the memories of their letters. But nothing can dispel the light between them.
