Hearings United States. Congress. Senate. Committee on Appropriations, 1959 **Library Collection Development for Professional Programs: Trends and Best Practices** Holder, Sara, 2012-07-31 Collection development the process used by librarians to choose items for a particular library or section of a library can be time consuming and difficult due to the many factors that must be taken into consideration Library Collection Development for Professional Programs Trends and Best Practices addresses the challenging task of collection development in modern academic libraries which is largely learned on the job This publication contains practical advice and innovative strategies essential for current collection development librarians and future librarians seeking guidance in this complex position **Interior, Environment, and Related Agencies Appropriations for 2012** United States. Congress. Senate. Committee on Appropriations, 1959 Federal Register, 1998-06-23 **Agricultural Appropriations for 1960** United States. Congress. Senate. Committee on Appropriations, 1959 **Norm and Ideology in Spoken French** David Hornsby, 2020-10-19 This volume offers a diachronic sociolinguistic perspective on one of the most complex and fascinating variable speech phenomena in contemporary French Liaison affects a number of word final consonants which are realized before a vowel but not pre pausally or before a consonant Liaisons have traditionally been classified as obligatoire obligatory interdite forbidden and facultative optional the latter category subject to a highly complex prescriptive norm This volume traces the evolution of this norm in prescriptive works published since the 16th Century and sets it against actual practice as evidenced from linguists descriptions and recorded corpora The author argues that optional or variable liaison in French offers a rich and well documented example of language change driven by ideology in Kroch's 1978 terms in which an elite seeks to maintain a complex conservative norm in the face of generally simplifying changes led by lower socio economic groups who tend in this case to restrict liaison to a small set of traditionally obligatory environments **Public Health Service Publication**, 1958 **Creole New Orleans in the Revolutionary Atlantic, 1775-1877** Caryn Cossé Bell, 2023-10-04 Nowhere in the United States did the Age of Democratic Revolution exert as profound an influence as in New Orleans In 1809 10 refugees of the Haitian Revolution doubled the size of the city In 1811 hundreds of Saint Dominguan African and Louisianan plantation workers marched

downriver toward the city in the nation's largest ever slave revolt. Itinerant revolutionaries from throughout the Atlantic congregated in New Orleans in the cause of Latin American independence. Together with the refugee soldiers of the Haitian Revolution, both Black and white, their presence proved decisive in the Battle of New Orleans. After defeating the British, the soldiers rejoined the struggle against Spanish imperialism in Creole New Orleans in the Revolutionary Atlantic, 1775-1877. Caryn Coss Bell sets forth these momentous events and much more to document the revolutionary era's impact on the city. Bell's study begins with the 1883 memoir of H. L. d'Aquin Allain, a French Creole and descendant of the refugee community who grew up in antebellum New Orleans. Allain's d'Aquin forebears fought alongside the Savarys, a politically influential free family of color in the Haitian Revolution. Forced from Saint Domingue, Haiti, the allied families retreated to New Orleans. Bell's reconstruction of the d'Aquin family network, interracial alliances, and business partnerships provides a productive framework for exploring the city's presence at the crossroads of the revolutionary Atlantic. Residing in New Orleans in the heyday of French Romanticism, Allain experienced a cultural revolution that exerted an enormous influence on religious beliefs, literature, politics, and even as Bell documents the practice of medicine in the city. In France, the highly politicized nature of the movement culminated in the 1848 French Revolution with its abolition of slavery and enfranchisement of freed men and women. During the Civil War and Reconstruction, the Afro-Creole leaders of the diasporic community pointed to events in France and stood in the forefront of the struggle to revolutionize race relations in their own nation. As Bell demonstrates, their cultural and political legacy remains a formidable presence in twenty-first-century New Orleans.
