The Love Object Selected Stories Of Edna O'Brien English Edition:

The Love Object Edna O'Brien, 2015-05-12 Collected here for the first time are stories spanning five decades of writing by the short story master Harold Bloom As John Banville writes in his introduction to *The Love Object* Edna O'Brien is simply one of the finest writers of our time The thirty one stories collected in this volume provide among other things a cumulative portrait of Ireland seen from within and without Coming of age the impact of class and familial and romantic love are the prevalent motifs along with the instinct toward escape and subsequent nostalgia for home Some of the stories are linked and some carry O'Brien's distinct sense of the comical In *A Rose in the Heart* of New York the single mindedness of love dramatically derails the relationship between a girl and her mother while in *Sister Imelda* and *The Creature* the strong ties between teacher and student and mother and son are ultimately broken *The Love Object* recounts a passionate affair between the narrator and her older lover The magnificent mid career title story from *Lantern Slides* portrays a Dublin dinner party that takes on the lives and loves of all the guests More recent stories include *Shovel Kings* a masterpiece of compression distilling the pain of a lost exiled generation *Sunday Times* and *Old Wounds* which follows the revival and demise of the friendship between two elderly cousins In 2011 Edna O'Brien's gifts were acknowledged with the most prestigious international award for the story the Frank O'Connor Short Story Award *The Love Object* illustrates a career's worth of shimmering potent prose from a writer of great courage vision and heart The most striking aspect of Edna O'Brien's short stories aside from the consistent mastery with which they are executed is their diversity John Banville

Conversations with Edna O'Brien Alice Hughes Kersnowski, 2014 Collected interviews covering over fifty years of this acclaimed and controversial Irish author's career **Autonomy** Beate Roessler, 2021-05-18 In everyday life we generally assume that we can make our own decisions on matters which concern our own lives We assume that a life followed only according to decisions taken by other people against our will cannot be a well lived life we assume in other words that we are and should be autonomous However it is equally true that many aspects of our lives are not chosen freely this is true of social relations and commitments but also of all those situations we simply seem to stumble into situations which just seem to happen to us The possibility of both the success of an autonomous life and its failure are part of our everyday experiences In this brilliant and illuminating book Beate Roessler examines the tension between failing and succeeding to live an autonomous life and the obstacles we have to face when we try to live our life autonomously obstacles within ourselves as well as those that stem from social and political conditions She highlights the ambiguities we encounter examines the roles of self awareness and self deception explores the role of autonomy for the meaning of life and maps out the social and political conditions necessary for autonomy Informed by philosophical perspectives but also drawing on literary texts such as those of Siri Hustvedt and Jane Austen and diaries including those of Franz Kafka and Sylvia Plath Roessler develops a formidable defense of autonomy against excessive expectations and above all against overpowering skepticism Erotic Vagrancy

Roger Lewis,2023-10-26 One of the very best biographies I have ever read STEPHEN FRY A hot thunderstorm of a book DAVID HARE Erotic Vagrancy gave me a week of pure joy CRAIG BROWN Unputdownable TONY PALMER A genius writer LYNN BARBER I ve never read anything like it RICHARD E GRANT Richard Burton and Elizabeth Taylor were a Sixties supercharged couple in an era of supercharged couples As a pairing they were fantasy figures impossibly desirable Liz supple and soft in perfumes and furs yet with something demonic and lethal about her Dick in turn with his ravaged handsome face looked as though lit by silver moonlight poised to turn into a wolf Roger Lewis uses this glamorous and damaged pair as the starting point to tell the story of an age of excess the freaks and groupies the private jets and jewels and the yachts sailing in an azure sea the magnificent bad taste and greed It is about the clash of worlds the filth and decay of South Wales and the grandeur and elegance of Old Hollywood the fantasies we have about film stars and the fantasies the Burtons had about each other

Edna O'Brien and the Art of Fiction Maureen O'Connor,2021-10-15 Since the appearance of her first novel The Country Girls in 1960 a book that undermined the nation s ideal of innocent and pious Irish girlhood Edna O'Brien has provoked controversy in her native Ireland and abroad Indeed several of her early novels were condemned by church authorities and banned by the Irish government for their frank portrayals of sexual matters and the inner lives of women Now an internationally acclaimed writer O'Brien must be critically reassessed for a twenty first century audience Edna O'Brien and the Art of Fiction provides an urgent retrospective consideration of one of the English speaking world s best selling and most prolific contemporary authors Drawing on O'Brien s fiction as well as archival material and applying new theoretical approaches including ecocritical and feminist new materialist readings this study considers the pioneering and enduring ways O'Brien represents women s experience family relationships the natural world sex creativity and death and her work s long anticipation of contemporary movements such as metoo

Polymath Eric Laursen,2023-08-22 We have so much more to learn about the author of The Joy of Sex this biography covers it all the life of a young poet pacifism anarchist activism academic life the 60s counterculture starting over in California The Joy of Sex aging and death Polymath is the first biography of one of the most remarkable and wide ranging intellectuals of the second half of the 20th century Alex Comfort was a British poet novelist biologist cultural critic activist and anarchist and the author of the international bestseller The Joy of Sex He played a vital role in making gerontology the study of aging a viable branch of modern science energizing the direct action movement for nuclear disarmament revitalizing anarchism as a political philosophy in the post World War II decades and persuading 12 million readers of his most popular book to banish guilt and anxiety from sex in favor of pleasure and closer human understanding The Joy of Sex spent eleven weeks atop the NYT bestseller list and seventy two weeks in the top five But the book took on a life of its own as a couple generations of youth and adults used The Joy of Sex as a tool to understand pleasure outside the realm of guilt and shame and opened the doors to a healthier sexual culture Comfort liked to say that everything he did was part of one big project to bring about a new

consciousness grounded in science of the importance of personal responsibility in human relationships including the obligation to disobey when authority was being exercised abusively Polymath traces the intersection in Comfort's life and work between biology and literature anarchism and humanism sex and sociality and how his writings research and activism continue to shed critical light on the moral and political choices we make today Laursen's book relates the event-filled life of a brilliant and complex figure including his victory over a possibly career-ending disability his tumultuous second marriage his struggles with the scientific establishment and the fascinating story of the making of *The Joy of Sex* It will be vital reading for anyone who wants to understand how the personal became political and the political became personal in the last 100 years

Heart Edna O'Brien, 2024-05-01 O'Brien tells the Irish woman's inside story She has as only the finest writers can created a world she speaks in a voice identifiably and only hers Mary Gordon The New York Times Book Review In these selections from twenty years of her best short fiction Edna O'Brien's *A Fanatic Heart* pulls the reader into a woman's experience Her stories portray a young Irish girl's view of obsessive love and its often wrenching pain while tales of contemporary life show women who open themselves to sexuality to disappointment to madness Throughout there is always O'Brien's voice wondrous despairing moving examining passionate subjects that lay bare the desire and needs that can be hidden in a woman's heart There's no writer alive who sounds quite like Edna O'Brien Only a person of abiding compassion could write those lovely words they echo in almost every page of *A Fanatic Heart* The Washington Post Book World A landmark collection The Irish writer's exquisite perceptions and empathy with the women of her country exert an emotional pull compelling the reader to live the straitened circumstances of their lives Publishers Weekly *Writing Mothers and Daughters* Adalgisa

Giorgio, 2002 The psychoanalytic discovery of the importance of the preoedipal mother daughter bond in the 1970s had an important impact on feminist literature This book offers a systematic study of this theme in western European fiction **The Oxford Handbook of Modern Irish Fiction** Liam Harte, 2020-10-15 The Oxford Handbook of Modern Irish Fiction presents authoritative essays by thirty five leading scholars of Irish fiction They provide in depth assessments of the breadth and achievement of novelists and short story writers whose collective contribution to the evolution and modification of these unique art forms has been far out of proportion to Ireland's small size The volume brings a variety of critical perspectives to bear on the development of modern Irish fiction situating authors texts and genres in their social intellectual and literary

historical contexts The Handbook's coverage encompasses an expansive range of topics including the recalcitrant atavisms of Irish Gothic fiction nineteenth century Irish women's fiction and its influence on emergent modernism and cultural nationalism the diverse modes of irony fabulism and social realism that characterize the fiction of the Irish Literary Revival the fearless aesthetic radicalism of James Joyce the jolting narratological experiments of Samuel Beckett Flann O'Brien and Mairéad Ní Cadhain the fate of the realist and modernist traditions in the work of Elizabeth Bowen Frank O'Connor Seán O'Faoláin and Mary Lavin and in that of their ambivalent heirs Edna O'Brien John McGahern and John Banville the subversive treatment of sexuality and gender in Northern Irish women's fiction written during and after the Troubles the often neglected genres of Irish crime fiction science fiction and fiction for children the many hued novelistic responses to the experiences of famine revolution and emigration and the variety and vibrancy of post-millennial fiction from both parts of Ireland Readably written and employing a wealth of original research The Oxford Handbook of Modern Irish Fiction illuminates a distinguished literary tradition that has altered the shape of world literature

Edna O'Brien Kathryn Laing, Sinéad Mooney, Maureen O'Connor, 2006 As part of Pegasos Kuunsankosken Kaupunginkirjasto of Finland presents a biographical sketch about the Irish writer Edna O'Brien 1932 O'Brien has written plays children's books essays screenplays and nonfiction about Ireland Some of O'Brien's works include Country Girls 1960 The Love Object 1968 Night 1972 Mother Ireland 1976 and A Fanatic Heart 1984

Irish Women Writers Speak Out Caitriona Moloney, Helen Thompson, 2003-03-01 Bringing together the diverse and marvelously articulate voices of women of Irish and Irish American descent editors Caitriona Moloney and Helen Thompson examine the complicated maps of experience that the women's public private and literary lives represent particularly as they engage in both feminism and postcolonialism Acknowledging Mary Robinson's revised view of Irish identity now global rather than local this work recognizes the importance of identity as a site of mobility The pieces reveal how complex the terms feminism and postcolonialism are they examine how the individual writers see their identities constructed and/or mediated by sexuality In addition the book traces common themes of female agency violence generational conflicts migration emigration religion and politics to name a few As it represents the next wave of Irish women writers this book offers fresh insight into the work of emerging and established authors and will appeal to a new generation of readers

By Heart Philip Brady, 2008 With a perfect balance of playfulness humor and apology Philip Brady calls himself a bard But he explains that before the title became shrouded in mystery bards were simply teachers unknown and poor who gave literal voice to poems through recitations Woven throughout these twenty essays is Brady's resistance to the academic expectations and settings of poetic instruction enabling him to elicit the most authentic and surprising responses from a range of voices He is motivated by the possibility of poetry expressed in the grittiest of places and takes readers from the rust belts of Ohio to the far-flung pubs of Ireland to Zairian classrooms with few books and fidgety lightbulbs Most of all he believes that while bad poetry is a fact of life good poetry should be studied and learned by heart Brady doesn't resort to

dissecting poems here though poems his own and those of many of his masters from Yeats to Tu Fu do appear Instead the poetic language of his observations seems to fulfill a greater purpose Voiced the poem is transfigured from a printed glyph to sensory language ephemeral but with a tensile strength derived from the collective memory that births it Critics may feel differently but what matters to a poem is not how many times it is reprinted but how deeply it penetrates the heart These essays are meditations grounded in the author's life as a poet teacher publisher musician traveler and organizer In one readers encounter non traditional students who attend class after work and whose lives are already shaped by burden Brady recognizes the tension between reading poetry as an academic exercise and reading it for its power to endow all people with a broader sense of the self that is informed by both the dead and the living He celebrates the challenges that his students bring to the classroom by forging headlong into discussions that other instructors would cringe at as when a student declares that he doesn't like reading old poetry but instead likes greeting card poems Brady masterfully turns this potentially deflating moment into one that is both validating and deeply inspiring for student and reader
