The Making Of A Submissive Wife:

The Making of a Submissive Wife Charlotte J. Edwards, 2014-02-16 Suzi's marriage was on the rocks. She had put on too much weight since the birth of her last child and lost interest in sex. Not surprisingly then, her husband had developed his sex life elsewhere. His long business trips to London had allowed him to find a mistress who shared his sexual tastes and that relationship flourished. When Damion finally told her he thought it was time to move on, Suzi was desperate to keep him and was prepared to do anything to keep the marriage together. That was to be total submission to her husband and a willingness to completely embrace the D's lifestyle he enjoyed with his mistress. That was only the start and this novella follows Suzi's journey into submission through the training at her husband's hands to the extreme sexual encounters he arranges with other men, women, and groups of people who have only one thing in common: a desire to enjoy his sexy submissive wife. This story has been told before in a series of short ebooks and two collections, *Submissive Women*, but this is the first time Suzi's journey from naive and respectable housewife to horny submissive slut has been available in one long story.

The Submissive Wife Tiffany Buckner, This powerful and on-time book is for single and married Christian women alike. Find out the power of submission in this detailed, thought-provoking read. In our culture today, the word submission is misunderstood and because of this, many Christian households shun the idea of a wife submitting to her husband. As a result, God has been cut out of many marriages and Christian marriages are failing at the same rate as worldly marriages. In this powerful book, you will learn the differences between passiveness and submissiveness. The truth will shock you. Why Satan hates submission. The power and effectiveness of true submission. How to submit to your husband, whether he's godly or ungodly. When you are not required to submit. The signs of a controlling man and how to avoid him. How controlling men use money, scriptures, and sex to manipulate and control their wives. How the Jezebel spirit uses our fear of submission to establish itself as the governing authority over our households. Signs and behaviors of the Jezebel spirit and how to rid your home of it. If you're single, this book will help to prepare you to be the wife God has designed you to be and help you avoid the many narcissistic devils that Satan has sent out to entrap you. If you're married, this book will help you to become the wife God has designed you to be and to change the temperature of your marriage from lukewarm to blessed.

My So-Called Life as a Submissive Wife Sara Horn, 2013-08-01 Can a modern wife be submissive to her husband? In her highly anticipated sequel to *My So-Called Life as a Proverbs 31 Wife*, author Sara Horn takes on one of the most widely debated subjects for a Christian wife: marital submission. What does biblical submission look like for wives today? And why is submission viewed as such a dirty word by so many women and men in our culture, including Christians? Can a happily married couple live out the biblical model of submission and be the better for it? Horn takes on a one-year experiment to seek answers to these questions and to explore what it means to be submissive as a wife and helper to her husband. The answers and her discoveries may surprise you. This unique, entertaining, and thought-provoking personal account will challenge women to throw out their preconceived notions of
