Usaf Specat Guide:

A Guide to Federal Terms and Acronyms Don Philpott, 2017-12-20 Navigating government documents is a task that requires considerable knowledge of specialized terms and acronyms. This required knowledge nearly amounts to knowing a completely different language. To those who are not fluent, the task can be overwhelming as federal departments fill their documents with acronyms, abbreviations, and terms that mean little or nothing to the outsider. Would you be able to make sense of a document that described how the COTR reports to the CO regarding compliance with FAR, GPRA, SARA, and FASA? This is a common procedure in government contracting. Would you have any clue what was being referred to if you came across MIL STD 129P? It is the new standard for Military Shipping Label Requirements. The sheer number of such terms makes mastering them nearly impossible. But now these terms and their definitions are within reach. This new edition of **A Guide to Federal Terms and Acronyms** presents a glossary of key definitions used by the federal government. It is updated to include new acronyms and terminology from various federal government departments. It covers the most common terms, acronyms, and abbreviations used by each major agency, presenting definitions and explanations in a user-friendly and accessible way. This is an essential tool for anyone who works with federal government information. **Profile**, 1999-02

Airman's Guide Boone Nicolls, 2004-07-01 The 6th edition of the **Airman's Guide** is a thorough update of a staple of U.S. Air Force airmen and noncommissioned officer reading. Part professional guide and part reference, the book summarizes hundreds of Air Force regulations and information needed to help airmen carry out their duties and advance through the ranks. It includes information on the profession of arms, Air Force organizations and missions, programs for training and education, career field routes for promotion and advancement, the performance reporting system, the assignment system, complete details on uniforms, awards, and decorations, and information related to Air Force service families, medical benefits, and methods for dealing with common personal problems. **Acronyms in Aerospace and Defense** Peter B.
