Vancouver Introduction Pratique:

Vancouver - Introduction Pratique Ouvrage Collectif, 2015 Canadiana , 1989-06 **L'analyse textuelle des idées, du discours et des pratiques politiques** François Pétry, Pierre-Marc Daigneault, 2017-08-03T00:00:00-04:00 L ouvrage collectif dirigé par Daigneault et Pétry représente l'un des rares efforts systématiques visant explorer en français les méthodes d'analyse de contenu automatisées de textes principalement politiques. Les chapitres couvrent un large éventail de thèmes et de techniques d'analyse de contenu allant de la compilation des fréquences de mots jusqu'au positionnement idéologique des acteurs à l'aide de Wordfish et Wordscores en passant par l'analyse de sentiments. À une époque où les textes électroniques sont devenus facilement disponibles, ce volume inspirera de nombreux chercheurs travaillant sur des techniques d'analyse de contenu à partir d'une gamme de plus en plus large de plateformes et de langues. Stuart Soroka, Institute for Social Research, University of Michigan. Cet ouvrage, à la fois théorique et méthodologique, s'adresse aux étudiants et chercheurs en sciences sociales qui souhaitent approfondir leurs connaissances en analyse des données textuelles qualitatives et quantitatives. L'ouvrage examine en détail les dimensions principales et l'analyse des données textuelles en les appliquant à plusieurs objets d'étude provenant de domaines variés tels que la santé, l'administration publique, le journalisme et les sciences politiques et sociales. À l'ère des médias sociaux, des données massives (big data) et de l'analyse qualitative automatisée, cet ouvrage constitue un guide utile et accessible. Isabelle Bourgeois, Professeure à l'École Nationale d'Administration publique.

La pratique de l'action communautaire Henri Lamoureux, 2008 L'action communautaire propose une conception de l'organisation sociale marquée par une éthique fondée sur les valeurs de solidarité, de démocratie, de justice sociale, de respect et d'autonomie. Elle se traduit dans sa pratique par une forme d'intervention qui reconnaît la capacité des individus, les principaux acteurs du développement de leur collectivité. Plus de cinquante ans d'action communautaire au Québec ont permis cette pratique de développer un savoir-faire méthodologique et technique. Cette deuxième édition vise précisément à transmettre ce savoir-faire, elle situe également dans un contexte historique et éthique les pratiques qui prévalent en action communautaire tout en tenant compte des changements conjoncturels survenus sur les plans social, politique et économique. D'abord, avec l'intention des étudiants et des étudiants en travail social, ce livre intéressera également toutes les personnes qui cherchent une réponse collective des problèmes sociaux. *Lecture critique et communication en sciences de la santé* Louis Rachid

Salmi, 2021-03-02 Les difficultés rencontrées par tous les auteurs de textes scientifiques pour présenter de façon optimale leurs travaux, ainsi que les rendre visibles, font de la publication un véritable défi. Outil indispensable pour appréhender la lecture et la communication scientifique, cet ouvrage est à la fois une introduction, la lecture critique d'articles et un guide pédagogique pour rédiger et comprendre les règles de publication scientifique de haut niveau ou préparer une communication orale ou affichée. Cette quatrième édition fait l'objet d'une révision complète. Actualisée et augmentée, elle intègre désormais de nombreux exemples pratiques des références bibliographiques pour aller plus loin, ainsi que des formulaires de lecture.

The Yogin and the Madman Andrew Quintman, 2013-11-12 Tibetan biographers began writing Jetsun Milarepa's 1052-1135 life story shortly after his death, initiating a literary tradition that turned the poet and saint into a model of virtuosic Buddhist practice throughout the Himalayan world. Andrew Quintman traces this history and its innovations in narrative and aesthetic representation across four centuries, culminating in a detailed analysis of the genre's most famous example composed in 1488 by Tsangnyön Heruka or the Madman of Western Tibet. Quintman imagines these works as a kind of physical body supplanting the yogin's corporeal relics.

The Art of Avaz and Mohammad Reza Shajarian Rob Simms, Amir Koushkani, 2012-01-20 The Art of Avaz and Mohammad Reza Shajarian: Foundations and Contexts by Rob Simms and Amir Koushkani examines the traditional art of singing classical Persian poetry as represented by its greatest living exponent. This in-depth study surveys the social and historical context of the twentieth-century tradition of avaz while placing Shajarian's early career within this complex culture, from being a child prodigy of Qur'anic recitation in Mashhad to his rise to national prominence in the 1970s. As a globetrotting celebrity who is renowned for singing medieval poetry with impeccable technique and radiant inspiration, Shajarian's life and work provide a compelling case study for larger issues of reconciling tradition and modernity and the crucial role of the individual in maintaining and renovating traditional art forms. Avaz is discussed in the broader context of Iranian narrative performance traditions where the performer retells well-known scripts in a way that is appropriate to the audience and the present occasion, spinning the tale to convey a personal message. Shajarian's career also exemplifies the huge changes that Iranian musical culture underwent in the 1960s and 70s. Finally, the study includes a detailed examination of the materials and creative processes of Shajarian's artistic craft, including his acquisition process and training, vocal technique, selection and treatment of poetry, use of traditional musical materials, and

his balance of engaging preset materials with improvisation The Art of Avaz and Mohammad Reza Shajarian is an impressively detailed study of the music life and environment of the most influential musician in Iranian classical music of the past three decades
