knives are out Poetry declares hand to hand guerrilla war on conservative aesthetics political correctness and boundaries
imposed on art In *Resurrecting Knives* De Souza dissects the conventional anatomy of the poem and fashions a new set of
intellectual technical and visual dynamics Where the American Beat writing experimentalists put work to the sword randomly
cutting up and reforming statements into patchwork poetics this writing takes on the idea and develops it into a method for
strategically cutting into the body of the poem to allow for the insertion of different textures of language and thought Without
resorting to bludgeoning or violence the author deftly applies a surgical scalpel to make neat cuts around titles or stanzas
and into these virtual spaces flow lifeblood of diary entry film scene descriptions and poetic theory grafted effortlessly into
the poem A meditation on the nature of human violence dovetails into the climactic hall of mirrors combat scene of Bruce Lee
in *Enter The Dragon* e A contemplation on the design of the Bowie knife cuts dramatically into a motorcycle gang s knife skill
contest in *The Loveless* e The poem narrator s regret of hurling fiery verbal abuse suddenly slices into the scene set with
Clint Eastwood directing his gunslinger s stare before shooting down murderous bandits in *A Fistful of Dollars* This use of
what De Souza describes as the cut in technique is evident in poetry throughout this very adventurous second collection At
the same time these experiments sit alongside an equally potent set of more conventional poems which continue to explore
his favoured themes of the loss of childhood innocence English landscape the corrupt nature of business culture and the
hedonistic intensity of London *Applied Science & Technology Index* ,1996 *The Samsara Project* David
Burgess,2009-06 In the late 1880 s Jack the Ripper s murderous killing frenzy stopped No one knew why who he was where
he came from or where he went In 2008 journalist and crime historian John Reynolds receives a call informing him a body has
been found on Whitechapel Common For John the killer s signature is unmistakable and as he expected the body count
quickly grows with each slaying more brutal gruesome and sadistic than the last John knows his eccentric theories are
ridiculed but to stop the murderous slaughter he has to prove them to be true A deadly trail sees John and his rag tag group
of friends face up to the Russian Mafia British and US intelligence teams a top secret military project and worst of all his own
past All are intertwined in a fast moving plot with more twists and turns than the high adrenalin roller coaster ride that is
