Anonymous,2015-01-07 The brothers of Beta Theta Pi are have just finished a banquet in honour of their graduating cigars have been lit and many drinks will be drunk All is about to proceed to its inevitable state of mass inebriation when one of the brothers suddenly divulges to the group that one amongst them is in fact a virgin When the President rises and insists that the identity of this puritan be revealed an accusatory finger is cast on the slowly reddening face of Frank Eaton At once it is decided that he shall have his cherry well and truly plucked there and the eyes of the whole society Cue Vic and Ida the naughtiest girls in town What follows is a ribald recital of the most lascivious kind and Frank won t be the only one to savour the charms of the evening s entertainment Between copious amounts of fornicating frigging and numerous spendings each society member will reveal in sumptuously graphic detail how he lost his virginity This little seen gem of Victorian era erotica is one of the precious few from the stable of Charles Carrington that is set in America Anonymously written in 1897

heart cheer A must for any collector of the once suppressed **Victorian Virgins Bundle** Elle London, Lovillia Hearst, 2019-08-07 Ah the Victorian era Corsets aristocrats and tea Yet there s a side of Victorian life that is far more scandalous where Lords and Ladys with extreme power use their influence to bed their subjects servants and even each other These three sexy stories contain no gentlemen at all only a doctor more than willing to abuse the trust his profession entitles him to a Lord that uses a debt as leverage to sleep with a man s wife and yet another Lord that believes every wedding night is his wedding night These dominant men are paired up beautifully with submissive women in the following bundle featuring Victorian virgins Taken For The First Time By The Doctor But doctor it can t fit it s too big Margret is an innocent untouched young woman who s worried about having a painful wedding night Luckily her doctor a mature older man will ensure that she s ready for her special night no matter what it takes What starts off small gets bigger and bigger until he himself is taking her unprotected and for the very first time After all the doctor knows best This sizzling story is set in Victorian era In The Cruel Hands Of Lord Coleridge A gambling husband is the downfall of Lady Jane Blair but she s not prepared to simply accept it when he goes further than ever before and actually loses their home to a rival in a game of cards She visits Lord Coleridge to beg for a way to change things but what he would want to allow them to keep the house is almost too high a cost to bear A night with her to cancel the debt wasn t what she expected but if her husband was going to force her to negotiate with Lord Coleridge then why should she feel bad for enjoying it especially if she can teach her husband a lesson at the same time Bent Over By The Cruel Lord On My Wedding Night Fiona s always had a crush on the rich and handsome Lord of her small English town When she is wed to be married her family wants to keep it quiet because the Lord has Jus Primae Noctis or the right to have sex with a bride on her wedding night Fiona on the other hand decides to get her friend to leak the news knowing there s a good chance that the Lord will enforce his right This is a Victorian Era erotic romance for adults only with explicit sex scenes *The Way of a Virgin* L. when they first met many years before Their new home is dominated by a blind and selfish grandmother called Mater and her mean spirited poisonous daughter Aunt Cissie there is also Uncle Fred who lives a solitary life The two girls Yvette and Lucille risk being suffocated by the life they now lead at the rectory In particular Yvette s desperation is compounded by the fact that she has borrowed a little money from a charity fund that her family manages Her relationship with both her father and aunt suffer She sees her father as a mean spirited and cowardly person for the first time when he reacts savagely to her petty crime But even so the girls try their utmost every day to bring colour and fun into their lives They go on outings with the Framleys their neighbourhood friends On one such outing Yvette encounters a gipsy man and his family She and the other girls have their fortunes told by the gipsy man s wife a magnetic and strong woman who seems to see easily through them The gipsy man also sees deeply into Yvette and the impression he makes on her this first time is unforgettable This first meeting reinforces her disenchantment with the oppressive domesticity of the rectory It also awakens in her a sexual curiosity she has not felt or thought much about before despite her having admirers While on a second visit to the gipsy family she befriends a married Jewish woman who has left her husband and who is now living with her paramour impatiently waiting for her divorce to come through Yvette does not pass judgment on anyone new she meets neither the gipsy nor the Jewish woman because she is young and modern minded But when her father finds out about this friendship he threatens her with the asylum and Yvette realizes that at his heart her father too is mean spirited bigoted provincial and shallow Apparently her father believes that one cannot associate with a wealthy divorced woman who is merely marrying a handsome man who happens to be a war hero as an excuse to dump her first and older husband The novel has a surprise twist at the end A huge flood surges through the vale coming from a burst dam at a nearby reservoir It just so happens that the gipsy man is approaching the rectory house Nobody is at home but Yvette and her blind grandmother In the nick of time the brave gipsy man rescues Yvette despite the fact that the surprise flood washes most of the rectory away drowning the grandmother A moving scene ensues as the gipsy hero breathes life and warmth back into the virginal Yvette who feels the powerful attraction of his manhood and strength She falls asleep and the gipsy disappears Her family returns home to find her safe and they adulate the gipsy as her savior
