Vision Of Seduction English Edition:

Visions and Ideas of Europe during the First World War Matthew D'Auria, Jan Vermeiren, 2019-08-02 Given the destruction and suffering caused by more than four years of industrialised warfare and economic hardship scholars have tended to focus on the nationalism and hatred in the belligerent countries holding that it led to a fundamental rupture of any sense of European commonality and unity It is the central aim of this volume to correct this view and to highlight that many observers saw the conflict as a European civil war and to discuss what this meant for discourses about Europe Bringing together a remarkable range of compelling and highly original topics this collection explores notions images and ideas of Europe in the midst of catastrophe

Scented Visions Christina Bradstreet, 2022-06-29 Smell loomed large in cultural discourse in the late nineteenth century thanks to the midcentury fear of miasma the drive for sanitation reform and the rise in artificial perfumery Meanwhile the science of olfaction remained largely mysterious prompting an impulse to see smell and inspiring some artists to picture scent in order to better know and control it This book recovers the substantive role of the olfactory in Pre Raphaelite art and Aestheticism Christina Bradstreet examines the iconography and symbolism of scent in nineteenth century art and visual culture Fragrant imagery in the work of John Everett Millais Dante Gabriel Rossetti Simeon Solomon George Frederic Watts Edward Burne Jones and others set the trend for the preoccupation with scent that informed swaths of British European and American art and design Bradstreet's rich analyses of paintings perfume posters and other works of visual culture demonstrate how artworks mirrored the period nose and intersected with the most clamorous debates of the day including evolution civilization race urban morality mental health faith and the woman question Beautifully illustrated and grounded in current practices in sensory history Scented Visions presents both fresh readings of major works of art and a deeper understanding of the cultural history of nineteenth century scent

Visions of Britain, 1730-1830 Sebastian Mitchell, 2013-05-14 This is a revisionist study of the literary and visual representation of the nation in the century following the formation of the British state It argues that the most engaging accounts of Great Britain subject their imagery to sustained artistic pressure threatening to dismantle the national vision at the moment of its construction

WARREN J CYR aharon ben yosef THE abyEDITOR DANIEL J CYRPROGRAMMER SAUL SCHON SCHOU i e PAUL ANDERSON **Imprints & Re-visions** Peter Hughes,Robert Rehder,1996 *Tanizaki's Vision of the "West"* Ken Kenneth Ito,1985 *Journal of the Bombay Branch of the Royal Asiatic Society* Asiatic Society of Bombay,1891 Vol 1 new ser v 7 include the society s Proceedings for 1841 1929 title varies *Journal of the Asiatic Society of Bombay* ,1894 *Chaucer's Visions of Manhood* H. The English Novel, 1700-1740 Robert Letellier,2003-02-28 The English novel written between 1700 and 1740 remains a comparatively neglected area In addition to Daniel Defoe whose Robinson Crusoe and Moll Flanders are landmarks in the history of English fiction many other authors were at work These included such women as Penelope Aubin Jane Barker Mary Davys and Eliza Haywood who made a considerable contribution to widening the range of emotional responses in fiction These authors and many others continued writing in the genres inherited from the previous century such as criminal biographies the Utopian novel the science fictional voyage and the epistolary novel This annotated bibliography includes entries for these works and for critical materials pertinent to them The volume first seeks to establish the existing studies of the era along with anthologies It then provides entries for a wide ranging selection of works which cover fictional theoretical historical political and cultural topics to provide a comprehensive background to the unfolding and understanding of prose fiction in the early 18th century This is followed by an alphabetical listing of novels their editions and any critical material available on each The next section provides a chronological record of significant and enduring works of fiction composed or translated in this period The volume concludes with extensive indexes *Journal of the Bombay Branch of the Royal Asiatic Society* Royal Asiatic Society of Great Britain and Ireland Bombay Branch,1894 *Visions of Peace and Tales of War* Jan Liesen,Pancratius Cornelis Beentjes,2010 In biblical as well as in non biblical texts war is a widespread theme often embedded in a narrative framework In this volume that contains the proceedings of a conference in Kerkrade Netherlands in July 2009 a whole series of war narratives has been analyzed such as 1 Maccabees Ben Sira the Book of Judith the Book of Chronicles Esther Special attention is paid to the Scrolls of War from Qumran to the concepts of Holy War and Divine Warrior to Josephus and to war and peace in the Book of Psalms Visions of peace are discussed in contributions that give attention to the Idea of Peace in Antiquity to peace in Jewish Prayer to the collocation covenant of peace as well as to specific passages in the books of Micha and Isaiah and in the Gospel of Matthew *Visions of Queer Martyrdom from John Henry Newman to Derek Jarman* Dominic Janes,2015-04-27 Dominic Janes is at pains here to highlight the role played by Christianity in the history of homosexuality in Britain His story deals not merely with genital relations but also with identities both embraced and refused Necessarily coded expressions of desire as well as creative blurrings between religious idealism and queer gender and sexuality are integral to Janes s account A special focus for Janes is the way in which visual images and

imaginary visions of suffering in ecclesiastical contexts were used to develop concepts of male same sex desire that projected the self as dutiful and penitent rather than shameful And so a model and in ways a substitute for same sex relationships was readily available in idealizations of the person and body of Christas unmarried queer martyr Homosexual desires and identities prove to have unfolded in creative dialogue with religion during and since the 19th century Various figures enter into Janes s history from Cardinal Newman and Oscar Wilde to artists such as Simeon Solomon and Frederick Rolfe and the plot thickens with forays into Victorian monasteries that functioned as queer families with fascinating side trips into Rolfe s Christmas cards as expressions of queer aesthetic identity He brings the account full circle with a concluding chapter on the life and works of Derek Jarman Janes uses this case to show that the experience of the AIDS epidemic led to a reconnection with older modes of queer self expression specifically concerned with the endurance of suffering The religious roots of queer creativity are a vital resource for modern churches and openly gay men and women to learn from Travel, Time, and Space in the Middle Ages and Early Modern Time Albrecht Classen, 2018-10-22 Research on medieval and early modern travel literature has made great progress which now allows us to take the next step and to analyze the correlations between the individual and space throughout time which contributed essentially to identity formation in many different settings The contributors to this volume engage with a variety of pre modern texts images and other documents related to travel and the individual s self orientation in foreign lands and make an effort to determine the concept of identity within a spatial framework often determined by the meeting of various cultures Moreover objects images and words can also travel and connect people from different worlds through books The volume thus brings together new scholarship focused on the interrelationship of travel space time and individuality which also includes of course women s movement through the larger world whether in concrete terms or through proxy travel via readings Travel here is also examined with respect to craftsmen s activities at various sites artists employment for many different projects all over Europe and elsewhere and in terms of metaphysical experiences catabasis The Expedition of Humphry Clinker (Second International Student Edition) (Norton Critical Editions) Tobias Smollett, 2016-04-04 This revised Norton Critical Edition restores the original full title to the 1771 epistolary and picaresque novel In choosing supporting materials Evan Gottlieb emphasizes the growing recognition of Smollett as both a major British author and a central player in eighteenth century London s vibrant publishing world In his last and finest novel Tobias Smollett uses multiple letter writers to create a very funny and nearly kaleidoscopic vision of life in mid eighteenth century Britain As his protagonists travel about the countryside on their quest to restore patriarch Matthew Bramble s health they unwittingly succeed in uniting Britain across boundaries of nation class religion and gender The text of this Norton Critical Edition is again based on the first edition of 1771 It is accompanied by explanatory footnotes illustrations by Thomas Rowlandson for the 1793 edition and a map by Charles Scavey A new Backgrounds and Contexts section includes selections from Smollett s popular early poetry as well as important later nonfiction writing on history and

the novel and the Anglo Scottish Union among others Criticism is divided into two sections and presents the most important reviews and scholarly assessments of The Expedition of Humphry Clinker Early Reviews and Criticism collects four major reviews from 1771 along with Sir Walter Scott s 1821 preface to the novel Contemporary Criticism focuses on recent scholarship with its emphasis on Smollett s connection and relevance to topics of critical interest including nationalism colonialism the history of the novel gender studies and the histories of religion and medicine Contributors include Eric Rothstein John Zomchick Robert Mayer Charlotte Sussman David Weed Evan Gottlieb Tara Ghoshal Wallace Misty G Anderson and Annika Mann A chronology of Smollett s life and work and a selected bibliography are also included
