Visits to Heaven and Back: Are They Real? Mark Hitchcock, 2015-02-19 What will heaven really be like Today s bestseller lists are filled with stories of those who have claimed to experienced heaven firsthand Curiosity about what will happen after we die is as strong as ever in the twenty first century Yet each book contains a different story about what we will experience in heaven What are we to believe What is true In Visits to Heaven and Back Are They Real Mark Hitchcock a respected Bible teacher sorts out the facts He chronicles the recent phenomenon of heaven books comparing and contrasting the ideas presented in these books and revealing the discrepancies and contradictions Then Mark turns to the Bible laying out clearly the teachings about heaven and experiences in this life of another world. The Bible does reveal that there is a world beyond this one but it also contains clear warnings and amazing promises Discover today God's clear and certain promises concerning heaven Visions Beyond the Veil H. A. Baker, 2006-08-01 Beggars Outcasts Homeless Such were the forgotten uneducated children in China when the Spirit of God fell upon their humble orphanage the Adullam Home The boys spent days in powerful meetings praying and praising God Under the anointing of the Holy Spirit they prophesied saw visions and discovered Angels how they operate and protect us Unbelievers and their fate Heavenly occupations what our jobs will be Paradise revealed through the eyes of children The throne of God experiencing true worship Death what happens when we die Demons and their evil works This mighty outpouring was a fulfillment of God's promise And it shall come to pass in the last days saith God I will pour out of My Spirit upon all flesh and your sons and your daughters shall prophesy and your young men shall see visions Acts 2 17 Saint Paul Lives on Earth: (...and so does God.) Johnny Bellview, 2021-12-27 This is a book that tells all about Saint Paul s past and current lifetimes including Saint Paul s trips to heaven It tells about Saint Paul's interactions with God and it is a real shocker of a book but not on purpose This book also includes everything that I know about reincarnation I am hoping that it could lead to scientific progress in hopes that we can all live forever the way that religion intends This book also tells all about Saint Paul's wonderful mother who is one of the secret heroes of religion This book shows that God became a real wild card and that is how he is able to heal others The greatest healers don t have enough brain space to have morals That space is used for storing the magic to heal others This is a book that everyone can learn from The only reason that I have decided to publish such a dangerous book is because everyone will be able to at least know as much as I know about reincarnation and the promises of the Bible The Divine Letters Patrick Lerma, 2024-07-02 God Satan and an angel by the name of Angelina wrote letters to one another They lived on the earth for the first time in which each of the three different residences had its own address On earth God Satan and Angelina were anonymous to everyone except to one another Not anyone knew that God whose name was Cosmo which meant universe was God Not anyone knew that Satan whose name was Brant which meant fiery which meant like fire was Satan And not anyone knew that Angelina whose name was Angelina which meant heavenly messenger or angelic was an angel The End Of
