Average Joe Troy Meeder, 2011-04-05 What is happening to my life Have you ever honestly asked yourself that question As young boys we dreamed of being pilots firefighters doctors and cowboys Now we re older with a wonderful wife and kids as well as a mortgage a minivan and a fulfilling but not so glamorous job What happened All the dreams that once inspired us have evaporated into traffic jams computer screens bills and deadlines Why is life so ordinary If you think your life is nothing special take a look at it through God s eyes The revealing truth is that God chooses ordinary faithful men to do His most important work regular guys like Peter the fisherman David the shepherd Stephen the waiter Gideon the farmer Paul the tentmaker and even Jesus the carpenter In this engaging book Troy Meeder blends stories about biblical characters and contemporary men to show that an average Joe life an ordinary existence shapes a man s integrity moral stability resolve and strength The world desperately needs an army of average Joes Like you Troy Meeder s heart felt accounts from both his own personal experience and those of friends and family touch a raw nerve in your soul *Average Joe* reminds us that living a life focused on faith family and friends is what makes a man exceptional Rick Wiggers average Joe and account manager Includes a study guide for use by men s groups

Bentley's Miscellany, 1838 *The Austen Affair* Madeline Bell, 2025-09-16 Two feuding co stars in a Jane Austen film adaptation accidentally travel back in time to the Regency Era in this delightfully clever and riotously funny debut Tess Bright just scored her dream role starring in an adaptation of Jane Austen s *Northanger Abbey* It s not just the role of a lifetime but it s also her last chance to prove herself as a serious actress no easy feat after being fired from her last TV gig

and more importantly it's her opportunity to honor her mom who was the biggest fan of Jane Austen ever But one thing is standing in Tess's way well one very tall annoyingly handsome person actually Hugh Balfour A serious British method actor Hugh wants nothing to do with Tess whose Teen Choice Awards somehow don't quite compare to his BAFTA nominations Hugh is a type A no nonsense Royal Academy prodigy whereas Tess is big hearted a little reckless and admittedly kind of a mess But the film needs chemistry and Tess's career depends on it Sparks fly but not in the way Tess hoped when an electrical accident sends the two feuding co stars back in time to Jane Austen's era 200 years in the past with only each other to rely on Tess and Hugh need to ad lib their way through the Regency period in order to make it back home and hopefully not screw up history along the way But if a certain someone looks particularly dashing in those 19th century breeches well Tess won't be complaining A wickedly funny delightfully charming story The Austen Affair is a tribute to Jane Austen second chances and love across the space time continuum Festus Philip James Bailey, 1848 *Common Spirit, Common Ground* Michael Strange, 2002 This book celebrates the diverse and unique perspectives of spirituality as expressed by the world's major religions At the same time it explores the similarities between the major religions with respect to the transcendental experience itself There are many paths that lead up to the mountain and from its summit one can appreciate them all Whatever your current spiritual practice may be the intention of this book is to help you deepen it It was written to support mutual respect and tolerance between different cultures and their spiritual ideologies We can even find ways to appreciate one another For those of us who follow the spiritual journey there is more that unites us than separates us And the diversity between us can open us to new inspiration and to closer union with Spirit as we listen to one another with an open heart
