City Songs and American Life, 1900-1950 Michael L. Lasser, 2019 Nothing defines the songs of the great American songbook more richly and persuasively than their urban sensibility During the first half of the twentieth century songwriter such as Harold Arlen Irving Berlin Dorothy Fields George and Ira Gershwin and Thomas Fats Waller flourished in New York City the home of Tin Pan Alley Broadway and Harlem Many of these remarkably deft and forceful creators were native New Yorkers Others got to Gotham as fast as they could Either way it was as if from their vantage point on the West Side of Manhattan these artists were describing America not its geography of politics but its heart to Americans and to the world at large In *City songs and American life 1900-1950* renowned author and broadcaster Michael Lasser offers an evocative and probing account of the popular songs including some written originally for the stage or screen that America heard and sang and danced to during the turbulent first half of the twentieth century Lasser demonstrates how the spirit of the teeming city pervaded these wildly diverse songs Often that spirit took form overtly in songs that portrayed the glamor of Broadway of the energy and jazz age culture of Harlem But a city bred spirit or even a specifically New York City way of

feeling and talking also infused many other widely known and loved songs stretching from the early decades of the century to the twenties the age of the flapper bathtub gin and women s right to vote the Great Depression and finally World War II Throughout this remarkable book Lasser emphasizes how the soul of city life as echoes in the nation s songs developed and changed in tandem with economic social and political currents in America as a whole Dust jacket flap Serial Killers Peter Vronsky,2004-10-05 A comprehensive examination into the frightening true crime history of serial homicide including information on America s most prolific serial killers such as Jeffrey Dahmer Ted Bundy Co ed Killer Ed Kemper The BTK Killer Highway Stalker Henry Lee Lucas Monte Ralph Rissell Shoe Fetish Slayer Jerry Brudos Night Stalker Richard Ramirez Unabomber Ted Kaczynski Ed Gein The Butcher of Plainfield Killer Clown John Wayne Gacy Andrew Cunanan And more In this unique book Peter Vronsky documents the psychological investigative and cultural aspects of serial murder beginning with its first recorded instance in Ancient Rome through fifteenth century France on to such notorious contemporary cases as cannibal necrophile Ed Kemper the BTK killer Henry Lee Lucas Monte Ralph Rissell Jerry Brudos Richard Ramirez Unabomber Ted Kaczynski Ed Gein John Wayne Gacy Ted Bundy Jeffrey Dahmer and the emergence of what he classifies as the serial rampage killer such as Andrew Cunanan who murdered fashion designer Gianni Versace Vronsky not only offers sound theories on what makes a serial killer but also makes concrete suggestions on how to survive an encounter with one from recognizing verbal warning signs to physical confrontational resistance Exhaustively researched with transcripts of interviews with killers and featuring up to date information on the apprehension and conviction of the Green River killer and the Beltway Snipers Vronsky s one of a kind book covers every conceivable aspect of an endlessly riveting true crime phenomenon INCLUDES PHOTOGRAPHS A Hitchcock Reader Marshall Deutelbaum,Leland Poague,2009-02-24 This new edition of A Hitchcock Reader aims to preserve what has been so satisfying and successful in the first edition a comprehensive anthology that may be used as a critical text in introductory or advanced film courses while also satisfying Hitchcock scholars by representing the rich variety of critical responses to the director s films over the years a total of 20 of Hitchcock s films are discussed in depth many others are considered in passing section introductions by the editors that contextualize the essays and the films they discuss well researched bibliographic references which will allow readers to broaden the scope of their study of Alfred Hitchcock The Cute and the Cool Gary Cross,2004-04-01 The twentieth century was by any reckoning the age of the child in America Today we pay homage at the altar of childhood heaping endless goods on the young reveling in memories of a more innocent time and finding solace in the softly backlit memories of our earliest years We are the proclamation goes just big kids at heart And accordingly we delight in prolonging and inflating the childhood experiences of our offspring In images of the naughty but nice Buster Brown and the coquettish but sweet Shirley Temple Americans at mid century offered up a fantastic world of treats toys and stories creating a new image of the child as cute Holidays such as Christmas and Halloween became blockbuster affairs vehicles to fuel the bedazzled and wondrous

innocence of the adorable child All this Gary Cross illustrates reflected the preoccupations of a more gentle and affluent culture but it also served to liberate adults from their rational and often tedious worlds of work and responsibility But trouble soon entered paradise The cute turned into cool as children following their parental example embraced the gift of fantasy and unrestrained desire to rebel against the saccharine excesses of wondrous innocence in deliberate pursuit of the anti cute Movies comic books and video games beckoned to children with the allures of an often violent sexualized and increasingly harsh worldview Unwitting and resistant accomplices to this commercial transformation of childhood adults sought over and over again in repeated and predictable cycles to rein in these threats in a largely futile jeremiad to preserve the old order Thus the cute child deliberately manufactured and cultivated has ironically fostered a profoundly troubled ambivalence toward youth and child rearing today Expertly weaving his way through the cultural artifacts commercial currents and parenting anxieties of the previous century Gary Cross offers a vibrant and entirely fresh portrait of the forces that have defined American childhood

Women and Capital Punishment in the United States David V. Baker, 2015-12-07 The history of the execution of women in the United States has largely been ignored and scholars have given scant attention to gender issues in capital punishment This historical analysis examines the social political and economic contexts in which the justice system has put women to death revealing a pattern of patriarchal domination and female subordination The book includes a discussion of condemned women granted executive clemency and judicial commutations an inquiry into women falsely convicted in potentially capital cases and a profile of the current female death row population

Adolescent Female Portraits in the American Novel 1961-1981 Jane S. Bakerman, Mary Jean DeMarr, 2019-10-01 Originally published in 1983 this title lists and annotates reference sources which will help readers select primary materials useful in studies of the literary portraits of women and their societal roles The years 1961 to 1981 were set as boundaries for this volume because the author's initial research revealed that a twenty year span was a manageable unit because the novels

published between those dates yielded abundant materials for such a reference work and because significant changes in the way portraits of adolescent females were being drawn took place during the period for example sex role stereotyping became a shade less prevalent young women's sexuality was discussed more forthrightly and some topics such as single women's pregnancies and lesbianism were treated more overtly sometimes less judgementally *Tears of Joy* Tyawn A.

Martin, 2012-09-12 This book is about a group of women running a business that causes men to pay a large amount of money. The women will do whatever it takes to get their money and respect. David J. Hogan, 2013-03-01 **FAQ Film Noir** **FAQ** celebrates and reappraises some 200 noir thrillers representing 20 years of Hollywood's Golden Age. Noir pulls us close to brutal cops and scheming dames, desperate heist men and hardboiled private eyes and the unlucky innocent citizens that get in their way. These are exciting movies with tough guys in trench coats and hot tomatoes in form-fitting gowns. The moon is a streetlamp and the narrow streets are prowled by squad cars and long black limousines. Lives are often small but people's plans are big, sometimes too big. Robbery, murder, gambling, the gun, and the fist, the grift and the con game, the hard kiss and the brutal brush-off. **Film Noir FAQ** brings lively attention to story, mood, themes, and technical detail, plus behind-the-scenes stories of the production of individual films. Featuring numerous stills and posters, many never before published in book form, highlighting key moments of great noir movies. **Film Noir FAQ** serves up insights into many of the most popular and revered names in Hollywood history, including noir's greatest stars, supporting players, directors, writers, and cinematographers. When Attis McCurtain, a Vietnam veteran of mixed Choctaw and other origins, dies, his uncle commands Attis' younger brother Cole to find and bury his brother's bones, and in the process, Cole and his friend Mundo Morales come to terms with their mixed heritages **High School Life**, 1920 **Better Than Them** S.

McEachin Otts, 2014-10-27 You are better than them. Don't forget it, a grandmother whispers to her grandson S. M. Mac Otts. The year is 1965 and an eighteen-year-old boy stands curbside in his Black Belt hometown, weapon in hand, defiant before a peaceful civil rights demonstration. Violent pandemonium follows the quiet moment. For the rest of Otts's life, his grandmother's words haunt him and inspire the writing of his powerful memoir *Better Than Them: The Unmaking of an Alabama Racist*. With honesty and humility, Otts uses that memorable day in 1965 as a lens through which to view the events that shaped his life. He ventures back to examine the antebellum period and to the glories, tragedies, and unspoken shame of his slave-holding ancestors and forward again to the civil rights era. He probes into the roots of the race-related events involving his community in the 1950s and 60s, seeking understanding about the underlying issues and especially of what brings about change. Otts reflects on how he outgrew his racist upbringing and how he finally returned to his hometown to interview select

black demonstrators and white peers The conclusions he reaches make this a memoir about Otts s life and experiences in a racially divided world but also about how a life is lived and celebrated and understood Lost and Othered Children in Contemporary Cinema Debbie C. Olson,Andrew Scahill,2012-05-18 Children have been a part of the cinematic landscape since the silent film era yet children are rarely a part of the theoretical landscape of film analysis Lost and Othered Children in Contemporary Cinema edited by Debbie C Olson and Andrew Scahill seeks to remedy that oversight Throughout the over one hundred year history of cinema the image of the child has been inextricably bound to filmic storytelling and has been equally bound to notions of romantic innocence and purity This collection reveals however that there is a body of work that provides a counter note of darkness to the traditional portraits of sweetness and light Particularly since the mid twentieth century there are a growing number of cinematic works that depict childhood as a site of knowingness despair sexuality death and madness Lost and Othered Children in Contemporary Cinema challenges notions of the innocent child through an exploration of the dark side of childhood in contemporary cinema The contributors to this multidisciplinary study offer a global perspective that explores the multiple conditions of marginalized childhood as cinematically imagined within political geographical sociological and cultural contexts
