Reading Beyond the Book Danielle Fuller, DeNel Rehberg Sedo, 2013-04-02 Literary culture has become a form of popular culture over the last fifteen years thanks to the success of televised book clubs film adaptations big box book stores online bookselling and face to face and online book groups This volume offers the first critical analysis of mass reading events and the contemporary meanings of reading in the UK USA and Canada based on

original interviews and surveys with readers and event organizers The resurgence of book groups has inspired new cultural formations of what the authors call shared reading They interrogate the enduring attraction of an old technology for readers community organizers and government agencies exploring the social practices inspired by the sharing of books in public spaces and revealing the complex ideological investments made by readers cultural workers institutions and the mass media in the meanings of reading

Murder by the Book? Sally Rowena Munt, 2003-09-02 Murder by the Book is a thorough and thoroughly enjoyable look at the blossoming genre of the feminist crime novel in Britain and the United States Sally Munt asks why the form has proved so attractive as a vehicle for oppositional politics whether the pleasures of detective fiction can be truly transgressive and when exactly it was that the dyke detective appeared as the new super hero for today Along the way Munt poses some critical questions about the relations between fiction and activism politics and representations the writer and the reader This will be an enticing book both for addicts of the genre and for teachers and their students 100

Must-read Prize-Winning Novels Nick Rennison, 2010-10-27 A large number of people each year make their reading decisions on the basis of prizes like the Booker and Orange Guide to Fiction This new title in the successful Must Read series provides an overview of prize winning fiction over the decades With 100 titles fully featured and over 500 read on recommendations this unique survey of literature incorporates some of the finest contemporary fiction ever produced including Salman Rushdie s Midnight s Children Booker Jonathan Coe s What a Carve Up John Llewellyn Rhys Andrea Levy s Small Island Orange Louis de Bernieres s Captain Corelli s Mandolin Commonwealth Writers Prize Zadie Smith s White Teeth Guardian First Book Award Arundhati Roy s The God of Small Things Booker As well as Booker and Pulitzer prize winners the book also finds room for those that have triumphed in less familiar prizes such as the Betty Trask and the John Llewellyn Rhys It looks at prize winners in certain genres such as crime and science fiction as well as prize winners from other countries the French Prix de Goncourt and the Australian Miles Franklin award Because of the sheer range of prizes across countries and genres this is a diverse and rich list that no book worm would want to be without Freud's Principal Case Studies Revisited

Helena Texier, Eve Watson, 2025-05-30 Freud s Principal Case Studies Revisited explores Freud s six principal case studies studies Dora Little Hans Schreber the Wolf Man the Rat Man and the Young Homosexual Girl through the lens of contemporary psychoanalytic practice Thirteen leading Freudian Lacanian psychoanalysts reassess these cases in light of their significance to psychoanalytic theory and practice and consider their relevance in the twenty first century With new case material theory and analysis the cases are critically re invigorated and restored to a privileged place within psychoanalysis Each of the cases is approached via a pairing of two psychoanalysts who engage with the clinical material as well as with each other in addressing their contributions to an assembled audience of clinicians trainees and scholars This book will be of great interest to psychoanalysts in practice and in training as well as psychologists psychotherapists and psychiatrists It will also be relevant for academics and students of psychoanalytic studies philosophy critical and cultural

theory social studies critical psychology gender and sexuality studies and queer theory **My Take** LK Advani,2021-01-19 L K Advani's blogs cut across generations for his contemporaries they have a recall value For the young Indian restless to do his bit in shaping the future of his country Advani's blogs provide a rare insight into history They take him through the turmoil and toil of leaders like Sardar Patel and their distinctive contribution in shaping today's India Advani's blogs have a dual purpose they mirror an era gone by and yet link its relevance to an India raring to take on the world The blogs therefore successfully merge two eras one to which Advani himself belongs with another which sees him as a mentor That Advani has been a consequential politician is a given As a protagonist in the political playfield spanning decades he along with Atal Behari Vajpayee not only formed the Bharatiya Janata Party but transformed it dramatically If the BJP is nationally in the reckoning today it is because of the Atal Advani vision of bringing it centre stage from the margins It is through this journey that he redefined secularism During his historic yatras including the Ramjanambhoomi and Somnath to Ayodhya the country was compelled to redefine secularism and distinguish it from the pseudo secularism being handed down by adversaries But that is only one part The other and more significant is Advani's contribution in setting and elevating standards in public life and hammering that they be followed That he has led from the front is well known The strength of Advani's blogs like his persona is that they are direct candid and forthright There is no soft pedaling issues or minimizing the blow as it were He has stated facts as they are and made no attempt to either underplay or exaggerate any sequence His writings are as clear as his mind The blogs offer a wide range history politics books and all else To those who have a stake in India's political future Advani's blogs are an effective guide for others an interesting read **Victorian Detectives in Contemporary Culture**

Lucyna Krawczyk-Żywko,2017-11-28 In contrast to the main body of current Victorian detective criticism which tends to concentrate on Conan Doyle's creation and only uses other detectives as a backdrop the texts gathered in this volume examine various contemporary ways of re-presenting real and fictional detectives that originated in or are otherwise associated with that era Inspector Bucket Sergeant Cuff Inspector Reid Tobias Gregson Flaxman Low and psychiatrists as detectives Such a collection allows for a critical re-assessment of both the detectives importance to the Victorian literature and culture and provides a better basis for understanding the reasons behind their contemporary returns re-imaginings and re-creations contributing to the creation of a base for further cultural and critical works dealing with reworkings of the Victorian era *Figure On The Carpet: Detective Fiction And Literature* Martin Priestman,1990-09-20 The Nineteenth Century Revisited Ina Bergmann,2020-12-29 The Nineteenth Century Revisited The New Historical Fiction explores the renaissance of the American historical novel at the turn of the twenty first century The study examines the revision of nineteenth century historical events in cultural products against the background of recent theoretical trends in American studies It combines insights of literary studies with scholarship on popular culture The focus of representation is the long nineteenth century a period from the early republic to World War I as a key epoch of the nation building project of the United

States The study explores the constructedness of historical tradition and the cultural resonance of historical events within the discourse on the contemporary novel and the theory formation surrounding it At the center of the discussion are the unprecedented literary output and critical as well as popular success of historical fiction in the USA since 1995 An additional postcolonial and transatlantic perspective is provided by the incorporation of texts by British and Australian authors and especially by the inclusion of insights from neo Victorian studies The book provides a critical comment on current and topical developments in American literature culture and historiography Ethical Issues in Twentieth Century French Fiction C. Davis, 1999-12-08 This book examines ethical problems raised by a number of key twentieth century theoretical and fictional texts by authors such as Levinas Sartre Beauvoir Yourcenar Duras and Genet It argues that even texts which apparently espouse ethical positions based on respect for and responsibility towards others frequently depict conflict as an insurmountable aspect of human relations This is reflected at an aesthetic level as these texts both describe the struggle for supremacy and replicate it in their relation to their readers **Fiction, Crime, and Empire** Jon Thompson, 1993 Reading fiction from high and low culture together Fiction Crime and Empire skillfully sheds light on how crime fiction responded to the British and American experiences of empire and how forms such as the detective novel spy thrillers and conspiracy fiction articulate powerful cultural responses to imperialism Poe's Dupin stories for example are seen as embodying a highly critical vision of the social forces that were then transforming the United States into a modern democratic industrialized nation a century later Le Carr employs the conventions of espionage fiction to critique the exhausted and morally compromised values of British imperialism By exploring these works through the organizing figure of crime during and after the age of high imperialism Thompson challenges and modifies commonplace definitions of modernism postmodernism and popular or mass culture **Transferences** Maren Scheurer, 2019-10-03 Why are psychoanalysts fascinated with literature and other arts And why do so many novels plays films and television series feature therapy sessions Transferences investigates the interdisciplinary attraction between psychoanalysis and the arts by exploring the therapeutic relationship as a recurring figure in psychoanalytic discourse literature theater and television In addition to close readings of psychoanalytic and critical texts the book presents a new approach to examining psychoanalytic themes and formal devices in texts like Philip Roth's Portnoy's Complaint J M Coetzee's Life Times of Michael K Margaret Atwood's Alias Grace Peter Shaffer's Equus and the HBO series In Treatment Transferences argues that psychoanalysts as well as writers and other artists are fascinated by the therapeutic relationship because it provides a unique site to negotiate the narrative and artistic underpinnings of psychoanalysis and reflect and reinvent the aesthetic and poetic potentiality of art **Detective Fiction in a Postcolonial and Transnational World** Nels Pearson, 2016-04-22 Taking up a neglected area in the study of the crime novel this collection investigates the growing number of writers who adapt conventions of detective fiction to expose problems of law ethics and truth that arise in postcolonial and transnational communities While detective fiction has been

linked to imperialism and constructions of race from its earliest origins recent developments signal the evolution of the genre into a potent framework for narrating the complexities of identity citizenship and justice in a postcolonial world Among the authors considered are Vikram Chandra Gabriel Garc a M rquez Michael Ondaatje Patrick Chamoiseau Mario Vargas Llosa Suki Kim and Walter Mosley The essays explore detective stories set in Latin America the Caribbean India and North America including novels that view the American metropolis from the point of view of Asian American African American or Latino characters Offering ten new and original essays by scholars in the field this volume highlights the diverse employment of detective fictions internationally and uncovers important political and historical subtexts of popular crime novels

Books Out Loud ,2007 *Dark Nights, Bright Lights* Susanne Bach,Folkert Degenring,2015-10-16 Light and darkness shape our perception of the world This is true in a literal sense but also metaphorically in theology philosophy literature and the arts the light of day signifies life safety knowledge and all that is good while the darkness of the night suggests death danger ignorance and evil A closer inspection however reveals that things are not quite so clear cut and that light and darkness cannot be understood as simple binary opposites On a biological level for example daylight and darkness are inseparable factors in the calibration of our circadian rhythms and a lack of periodical darkness appears to be as contrary to health as a lack of exposure to sunlight On a cultural level too night and darkness are far from being universally condemnable in fiction drama and poetry the darkness of the night allows not only nightmares but also dreams it allows criminals to ply their trade and allows lovers to meet it allows the pursuit of pleasure as well as deep thought it allows metamorphoses transformations and transgressions unthinkable in the light of day But night is not merely darkness The night gains significance as an alternative space as an other of the day only when it is at least partially illuminated The volume examines the interconnection of night darkness and nocturnal illumination across a broad range of literary texts The individual essays examine historically specific light conditions in literature tracing the symbolic and metaphoric content of darkness and illumination and the attitudes towards them Twentieth Century Crime Fiction Gill Plain,2014-07-16 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company *Kristeva's Fiction* Benigno Trigo,2013-11-01 Psychoanalytic perspectives on Kristeva s fiction
