The Israel Lobby And U S Foreign Policy:

The Israel Lobby and US Foreign Policy John J Mearsheimer, Stephen M Walt, 2008-06-26 Does America's pro Israel lobby wield inappropriate control over US foreign policy This book has created a storm of controversy by bringing out into the open America's relationship with the Israel lobby a loose coalition of individuals and organizations that actively work to shape foreign policy in a way that is profoundly damaging both to the United States and Israel itself Israel is an important valued American ally yet Mearsheimer and Walt show that by encouraging unconditional US financial and diplomatic support for Israel and promoting the use of its power to remake the Middle East the lobby has jeopardized America's and Israel's long term security and put other countries including Britain at risk [The Israel Lobby and U.S. Foreign Policy](#) John J. Mearsheimer, Stephen M. Walt, 2007-09-04 Originally published in 2007 The Israel Lobby and U S Foreign Policy by John Mearsheimer of the University of Chicago and Stephen M Walt of Harvard's John F Kennedy School of Government provoked both howls of outrage and cheers of gratitude for challenging what had been a taboo issue in America the impact of the Israel lobby on U S foreign policy A work of major importance it remains as relevant today as it was in the immediate aftermath of the Israel Lebanon war of 2006 Mearsheimer and Walt describe in clear and bold terms the remarkable level of material and diplomatic support that the United States provides to Israel and argues that this support cannot be fully explained on either strategic or moral grounds This exceptional relationship is due largely to the political influence of a loose coalition of individuals and organizations that actively work to shape U S foreign policy in a pro Israel direction They provocatively contend that the lobby has a far reaching impact on America's posture throughout the Middle East in Iraq Iran Lebanon and toward the Israeli Palestinian conflict and the policies it has encouraged are in neither America's national interest nor Israel's long term interest The lobby's influence also affects America's relationship with important allies and increases dangers that all states face from global jihadist terror The publication of The Israel Lobby and U S Foreign Policy led to a sea change in how the U S Israel relationship was discussed and continues to be one of the most talked about books in foreign policy

THE ISRAEL LOBBY AND U. S. FOREIGN POLICY N. Nourizadeh, 2014-02-13 This book is about politics and the close relation between Israel and US foreign policy **U.S. Foreign Policy Discourse and the Israel Lobby** Keith Peter Kiely, 2017-08-01 This book seeks to debunk the popular myth of an all powerful pro Israel lobby Here Kiely demonstrates how discourses surrounding American Identity and US foreign policy towards the Israeli Palestinian conflict which has deep roots in American historicity have constructed an understanding of the conflict which is inherently more susceptible to the Israeli narrative Kiely argues that the so called power of what other researchers such as Mearsheimer and Walt 2006 2007 call The Israel Lobby are limited by these discourses It is the author's contention that groups such as The American Israel Public Affairs Committee AIPAC serve to amplify and reproduce existing representations within these discourses which align the United States and Israel in terms of cultural historical and political values while simultaneously reinforcing dominant
