collection of stories by English author Rudyard Kipling The stories were first published in magazines in 1893 94 The original
publications contain illustrations some by the author s father John Lockwood Kipling Kipling was born in India and spent the
first six years of his childhood there After about ten years in England he went back to India and worked there for about six
and a half years These stories were written when Kipling lived in Naulakha the home he built in Dummerston Vermont just
north of Brattleboro in the United States There is evidence that the collection of stories was written for his daughter
Josephine who died in 1899 at six years of age by pneumonia a rare first edition of the book with a poignant handwritten note
by the author to his young daughter was discovered at the National Trust s Wimpole Hall in Cambridgeshire in 2010 The
tales in the book as well as those in The Second Jungle Book which followed in 1895 and which includes five further stories
about Mowgli are fables using animals in an anthropomorphic manner to give moral lessons The verses of The Law of the
Jungle for example lay down rules for the safety of individuals families and communities Kipling put in them nearly
everything he knew or heard or dreamed about the Indian jungle Other readers have interpreted the work as allegories of the
politics and society of the time The best known of them are the three stories revolving around the adventures of Mowgli an
abandoned man cub who is raised by wolves in the Indian jungle The most famous of the other four stories are probably Rikki
Tikki Tavi the story of a heroic mongoose and Toomai of the Elephants the tale of a young elephant handler As with much of
Kipling s work each of the stories is followed by a piece of verse The Second Jungle Book is a sequel to The Jungle Book by
Rudyard Kipling First published in 1895 it features five stories about Mowgli and three unrelated stories all but one set in
India most of which Kipling wrote while living in Vermont All of the stories were previously published in magazines in 1894 5
