The Killing Cross:

The Non-Violent Cross James W. Douglass, 2006-04-01 One of the ten best religious books of 1968 a fascinating proposal of revolutionary action through non violence from the Judeo Christian faith and the experiments in truth of Gandhi New Book Review The Non Violent Cross was a crucial text to push me into becoming a pacifist It remains as relevant today as it was when first published in 1966 Douglass was in conversation not only with Catholic perspectives but also John Howard Yoder Indeed he was among the first to show us how the most orthodox Christian claims committed the church to the practice of non violence We are in Wipf Stock s debt for bringing the book back into print Stanley Hauerwas Duke University It will be Jim s reflections on nonviolence and just war theory for which he will be remembered best And it is here that his language stretches bends and breaks under the strain of the inexplicable For he is not just settling arguments He is trying to convey the meaning of the kingdom of Reality which will be the final victory of Truth in history If that kingdom is ever to come it will be people like Jim who blazed the way Walter Wink Not only is this book the most thoroughgoing treatment to date of non violence but in its analyses of the current scene it is also a tract for the times The Christian Century From the Cell to the Cross Don Dennis, Shirley Stephens, 1998 A gripping true account of the redemption of a hardened criminal *Card, Cross & Jones Criminal Law* Richard Card, Jill Molloy, 2016 Drawing on 65 years of history and expertise Card Cross Jones is a trusted source of rigorous and dependable legal description and commentary **The Collected Works of Witness Lee, 1989, volume 1** Witness Lee, 2021-05-28 The Collected Works of Witness Lee 1989 volume 1 contains messages given by Brother Witness Lee from January 1 through November 21 1989 In 1989 Brother Lee spoke fifty two messages that were published in the Life study of Numbers These Life study messages are not included in The Collected Works of Witness Lee Brother Lee remained in Irving Texas during the first part of January 1989 He returned to Anaheim California in the second week of January and remained there until the end of the third week At the end of the month he visited Hacienda Heights and San Diego California and returned to Anaheim in the beginning of February From the second week in February through the end of the month he visited San Francisco San Jose Sacramento Pleasant Hill Berkeley and San Gabriel California before returning to Anaheim At the end of the first week in March Brother Lee traveled to Taipei Taiwan and remained there until the end of the third week in March He then visited Quezon City Philippines and Taichung and Kaohsiung Taiwan before returning to Taipei at the beginning of April He remained in Taipei until the end of the third week in April and then visited Seoul South Korea and Tokyo Japan before returning to Anaheim in the middle of May At the end of the third week in May Brother Lee visited Cleveland Ohio and Newton and Cambridge Massachusetts until the end of the first week in June At that time he returned to Anaheim and remained there until the end of 1989 The contents of this volume are divided into fifteen sections as follows 1 A message given in Irving Texas on January 1 This message is included in this volume under the title The Conclusion of the Book of Leviticus 2 Two messages given in Anaheim California in Chinese by telephone to gospel teams

War and the Red Cross NA NA,2016-04-30 Wars in the post Cold War era are overwhelmingly internal or civil wars Civilians mostly women children and the elderly make up over ninety percent of the casualties in these wars This statistic has convinced the world s premier war relief organization the Swiss based International Committee of the Red Cross ICRC to take on a new mission to make these wars dysfunctional and to end them Berry reveals how this mission remains unpublicized and unsaid due to the effect which many fear it would have on the ICRC s traditional purpose of providing war relief Exposing the ICRC s intricate and ambitious strategy Berry shows how it was put into operation in the former Yugoslavia Rwanda the Sudan Aghanistan and Guatemala The book reveals that a major non governmental organization while proclaiming to be non political has a huge political agenda

The Back Side of the Cross Diane Leclerc,Brent Peterson,2022-06-29 The cross has always been portrayed as the means of salvation and forgiveness for sinners but does it have anything to say to those who have been sinned against This book shows that the atonement of Christ has powerful potential to speak to those who have been wronged especially those who have been abused and abandoned in countless ways those who cower at the back side of the cross wondering if they are included As victims of various kinds of abuse are beginning to come out of the shadows in cultural conversation and in the context of the church The Back Side of the Cross is a timely book for several audiences It is thoroughly rigorous and will interest theologians and their students it also offers a very practical section for pastors and those who want to care for the wounded and it can even reach survivors themselves as it offers true hope in the urgency of such real pain

The Fiery Cross Wyn Craig Wade,1998 Psychologist historian Wyn Craig Wade traces the Ku Klux Klan from its beginnings after the Civil War to its present day activities aligning with various neo fascist and right wing groups in the American West THE FIERY CROSS provides an exhaustive analysis and long overdue perspective on this dark shadow of

American society Photos **The Ministry of the Word, Vol. 22, No. 10** Various Authors, 2018-10-01 This issue of The Ministry of the Word contains the final nine messages given during the spring 2018 term of the full time training in Anaheim California The general subject of this series of messages is Enjoying the Riches of Christ for the Building Up of the Church as the Body of Christ These messages continue to emphasize the enjoyment of the indescribably rich and all inclusive Christ as everything to us as seen in the New Testament In the Gospel of Matthew we see that we need to have a pure heart to see God which is to gain God so that we may become God in life and nature The more we experience and enjoy such an all inclusive Christ the more we will become the building material for and even the builders of the church fulfilling the greatest prophecy in the Bible to bring in the kingdom of God *Card, Cross, and Jones: Criminal Law* Richard Card, Rupert Cross, Philip Asterley Jones, 2014 This popular title combines breadth of coverage with readability and sets out the principal points of criminal law in a systematic and thorough way This edition includes the most recent legislative and case law developments

Cross Purposes Anthony Bartlett, 2018-09-20 This seminal study of the Christian theory of the atonement examines the story of Christian violence In *Cross Purposes* Anthony Bartlett claims that the key Western doctrines of atonement have been dominated by a logic of violence and sacrifice as a means of salvation Subsequently the graphic suffering of the crucified in images and narrative has served to unleash a prolonged sacrificial crisis in which there is always a potential need to displace blame These doctrines of atonement have sanctioned wide spread violence in the name of Christ throughout history But Bartlett argues that a minority tradition also exists He contends that the tradition of the compassion of Christ provides the possible way out of Christian violence Bartlett s study gives this tradition a dynamic new reading showing how it undoes both divine and human violence and offers a powerfully transformative version of atonement for the contemporary world *Cross Purposes* provides a rich historical and theological overview of the evolution of various atonement theories using literature art and philosophy to provide a creative and provocative reading of Christian atonement Anthony Bartlett is engaged in post doctoral research and is an instructor in Religion at Syracuse University For Seminarians clergy graduate students professors *The Crescent and the Cross* Oliver Ramsbotham, Saba Risaluddin, Brian Wicker, Abdel Haleem Harifyah, 2016-07-27 This book is the product of dialogue between a group of leading British Muslim and Christian scholars concerned about the alleged danger to the West of Islamic fundamentalism It analyses the ethical and legal principles rooted in both traditions underlying any use of armed force in the modern world After chapters on the history theology and laws of war as seen from both sides the book applies its conclusions to a the 1990 91 Gulf War and b the Bosnian Conflict It concludes that Huntington s Clash of Civilisations thesis is a dangerous myth
