The Rohonc Code Benedek Láng,2021-04-15 First discovered in a Hungarian library in 1838 the Rohonc Codex keeps privileged company with some of the most famous unsolved writing systems in the world notably the Voynich manuscript the Phaistos Disk and Linear A Written entirely in cipher this 400 year old 450 page long richly illustrated manuscript initially gained considerable attention but was later dismissed as an apparent forgery No serious scholar would study it again until the turn of the twenty first century This engaging narrative follows historian Benedek Láng's search to uncover the truth about this thoroughly mysterious book that has puzzled dozens of codebreakers Láng surveys the fascinating theories associated with the Codex and discusses possible interpretations of the manuscript as a biblical commentary an apocryphal gospel or a secret book written for and by a sect He provides an overview of the secret writing systems known in early modern times and an account of the numerous efforts to create an artificial language or to find a long lost perfect tongue endeavors that were especially popular at the time the Codex was made Lastly he tests several codebreaking methods in order to decipher the Codex finally pointing to a possible solution to the enigma of its content and language system Engagingly written academically grounded and thoroughly compelling The Rohonc Code will appeal to historians scholars and lay readers interested in mysteries codes and ciphers

Building Imaginary Worlds Mark J.P. Wolf,2014-03-14 Mark J P Wolf's study of imaginary worlds theorizes world building within and across media including literature comics film radio television board games video games the Internet and more Building Imaginary Worlds departs from prior approaches to imaginary worlds that focused mainly on narrative medium or genre and instead considers imaginary worlds as dynamic entities in and of themselves Wolf argues that imaginary worlds which are often transnarrative transmedial and transauthorial in nature are compelling objects of inquiry for Media Studies Chapters touch on a theoretical analysis of how world building extends beyond storytelling the engagement of the audience and the way worlds are conceptualized and experienced a history of imaginary worlds that follows their development over three millennia from the fictional islands of Homer's Odyssey to the present internarrative theory examining how narratives set in the same world can interact and relate to one another an examination of transmedial growth and adaptation and what happens when worlds make the jump between media an analysis of the transauthorial nature of imaginary worlds the resulting concentric circles of authorship and related topics of canonicity participatory worlds and subcreation's relationship with divine Creation Building Imaginary Worlds also provides the scholar of imaginary worlds with a glossary of terms and a detailed timeline that spans three millennia and more than 1 400 imaginary worlds listing their names creators and the works in which they first appeared

Exploring Language Change Mari C. Jones,Ishtla Singh,2005 In this student friendly text Jones and Singh explore the phenomenon of language change with a particular focus on the social contexts of its occurrence and possible motivations including speakers intentions and attitudes Presenting new or little

known data the authors draw a distinction between unconscious and deliberate change The discussion on unconscious change considers phenomena such as the emergence and obsolescence of individual languages whilst the sections on deliberate change focus on issues of language planning including the strategies of language revival and revitalization movements There is also a detailed exploration of what is arguably the most extreme instance of deliberate change language invention for real world use Examining an extensive range of language situations Exploring Language Change makes a clear but often ignored distinction between concepts such as language policy and planning and language revival and revitalization Also featured are a number of case studies which demonstrate that real life language use is often much more complex than theoretical abstractions might suggest This is a key text for students on a variety of courses including sociolinguistics historical linguistics and language policy and planning India Construction Kit Mark Rosenfelder,2017-10-24 An engaging introduction to India and all of South Asia for conlanger conworlders linguists and anyone who d like to learn more about the world It starts with the topography and history of India deals with all its major religions and goes on to cover astronomy mathematics daily life cuisine clothing and architecture In addition there are meaty grammatical sketches of Sanskrit Hindi and Tamil and a discussion of the writing systems that have been used in the subcontinent **Adobe ColdFusion 9 Web Application Construction Kit, Volume 1** Ben Forta,2010-04-29 Written by the best known and most trusted name in the ColdFusion community Ben Forta The ColdFusion Web Application Construction Kit is the best selling ColdFusion series of all time the books that most ColdFusion developers used to learn the product This Getting Started volume starts with Web and Internet fundamentals and database concepts and design and then progresses to topics including creating data driven pages building complete applications implementing security mechanisms integrating with e mail building reusable functions and components generating data driven reports and graphs building Ajax powered user interfaces and much more Complete coverage of ColdFusion 9 continues in Volume 2 Application Development ISBN 0321679199 and Volume 3 Advanced Application Development ISBN 0321679202 Adobe ColdFusion 8 Web Application Construction Kit, Volume 3 Ben Forta,Charlie Arehart,Jeffrey Bouley,Raymond Camden,Sarge Sargent,Robi Sen,Jeff Tapper,Matt Tatam,2007-12-26 The ColdFusion Web Application Construction Kit is the best selling ColdFusion series of all time used by more ColdFusion developers to learn the product than any other books Volume 3 Advanced Application Development introduces advanced ColdFusion features and technologies including ensuring high availability security and access control implementations Java and NET integration using feeds and web services connecting to IM networks and server OS integration Complete coverage of ColdFusion 8 starts in Volume 1 Getting Started ISBN 0 321 51548 X and Volume 2 Application Development ISBN 0 321 51546 3 **Form-Meaning Connections in Second Language Acquisition** Bill VanPatten,Jessica Williams,Susanne Rott,Mark Overstreet,2004-07-21 Form Meaning Connections in Second Language Acquisition is an interdisciplinary and timely edited book of essays and empirical studies most of which are based on the papers presented at the Form and
