Beharrell,1861 *Night Boat* Alan Spence,2020-01-16 One of the best Scottish writers of our time offers a fictional re creation of the life and teachings of the 18th century Zen master Ekaku Hakuin Scotsman On the side of a mountain in eighteenth century Japan sits a man in perfect stillness as the summit erupts spitting fire and molten rock onto the land around him The man is Hakuin He will become the world s most famous teacher of Zen and this is not the first time he has seen hell In *Night Boat* acclaimed author Alan Spence presents a richly imagined chronicle of Hakuin s life On his long and winding quest for truth Hakuin will be called upon to defy his father face death find love and lose it He will ask what is the sound of one hand clapping And he will master his greatest fear This beautifully rendered novel presents a vivid and comprehensive picture of Japanese society and every chapter is also full of incidental beauties little stories and parables short poems snatches of lovely description gnomic conversations and acute observations Scotsman Spence is a visionary Ali Smith award winning author of *How to Be Both* in historical detail and the drama of the battle between a man s inner and outer lives *The Times UK* **The British Critic, Quarterly Theological Review, and Ecclesiastical Record**,1837 *British Critic, Quarterly Theological Review, and Ecclesiastical Record*,1837

British Critic,1837 **The British Critic, and Quarterly Theological Review**,1837 **Phenomenology and Eschatology** John Panteleimon Manoussakis,2016-04-22 This book brings together a world renowned collection of philosophers and theologians to explore the ways in which the resurgence of eschatological thought in contemporary theology and the continued relevance of phenomenology in philosophy can illuminate each other Through a series of phenomenological analyses of key eschatological concepts and detailed readings in some of the key figures of both disciplines this text reveals that phenomenology and eschatology cannot be fully understood without each other without eschatology phenomenology would not have developed the ethical and futural aspects that characterize it today without phenomenology eschatology would remain relegated to the sidelines of serious theological discourse Along the way such diverse themes as time death parousia and the call are re examined and redefined Containing new contributions from Jean Yves Lacoste Claude Romano Richard Kearney Kevin Hart and others this book is necessary reading for anyone interested in the intersection of

contemporary philosophy and theology The Experience of Freedom Jean-Luc Nancy,1993 The most systematic radical and lucid treatise on freedom that has been written in contemporary Continental philosophy this book combats the renunciation of freedom attested in modern history by articulating the experience of freedom at work in thought itself **Life Is Consciousness** Emmet Fox, The Truth movement as we call it is the most important thing in the world today The Truth movement which centers in the belief in the omnipresence and availability of God is the most important thing in the world because it is the only thing that can save the world Nothing else can Everything else has been tried People have tried building up might and power and have used it to wreck themselves Man has built up intellectual power and especially since four centuries ago since the Renaissance education has been intellectual People are surprised when you tell them that there is any other kind of education Those of us who have had the advantages of a higher education know that so called intellectual study gives very very little help in the practical business of living This Truth movement comes along takes hold of people and changes them It restores health if that has been lost restores estate if that has been lost restores self respect if that has been lost It puts people on their feet and shows them that there is something in life worth living for *Cursed Village Chronicles* Priyanka kumari,2025-09-19 Step into the darkness of Havenwood a forgotten village where a single lie became a living curse When Detective Jack Riley arrives searching for a missing woman he finds a town trapped in an ancient nightmare From the silent screams of the cursed well to the terror of the Headless Rider Jack must navigate a world of supernatural horror to uncover the truth But in a place where the road offers no escape and every shadow holds a secret he discovers that breaking the curse might mean becoming a part of it Decadence of the French Nietzsche James Brusseau,2005-01-01 Decadence in philosophy is truths dedicated to the intensification of thought For decadents the best truths don t describe experience accurately they incite the most consequent thinking This doesn t imply wanting truths that are wrong But for decadents every philosophic conclusion is valued purely in terms of its ability to generate more thought If thought no longer exists to pursue truth or stolid truths it exists then to serve and accelerate thinking In Decadence of the French Nietzsche author James Brusseau discusses French Nietzscheanism from Nietzsche through his appropriation by Gilles Deleuze He also discusses philosophical decadents who participate in contemporary thought and its set of convictions and desires For Brusseau it is no one figure that represents the modern philosophical decadent contemporary theory is the habitation of these convictions and desires Original and controversial in its conception of contemporary modes of modern theory and thought Decadence of the French Nietzsche shows how the contorting of philosophy occurs why and in sweeping terms what it means to raise thinking above any stolid truth **Selected Critical Writings** David Herbert Lawrence,1998 A critic must be able to feel the impact of a work of art in all its complexity and force To do so he must be a man of force and complexity himself A critic must be emotionally alive in every fibre intellectually capable and skilful in essential logic and then morally very honest These comments by D H Lawrence are as close a description as any of himself as a critic They come from his

essay on fellow novelist John Galsworthy and there are many other pieces on novels and novelists in this selection But Lawrence's range of genres extends to poetry and plays and paintings and his critical writing encompasses an enormous variety of subjects from Aeschylus and the Apocalypse to symbolism and syphilis for his interests are philosophical psychological religious moral sociological historical and cultural as well as literary and artistic This selection is a treasure trove of thought adventures by one of literature's liveliest critical spirits

Wordsworth and Welsh Romanticism James Prothero, 2013-05-20 Popular anthologies hold that the Romantic Era in Great Britain ended promptly in 1832 and that the early Twentieth Century was the time of Modernism and the rejection of the Romantic in British letters However in Wales just the opposite was true This study traces the work of poets and novelists in Wales in the early to mid Twentieth Century who all found their poetic master to be William Wordsworth In the early part of the century W H Davies John Cowper Powys and Huw Menai a tramp a mystic novelist and a coal miner produce novels and poetry with Wordsworth as their acknowledged master By mid century Idris Davies a coal miner turned teacher R S Thomas an Anglican priest and Leslie Norris another teacher are writing in the mountainous shadow of William Wordsworth While the literary lights of London are leading the Modernist revolution in Wales the inspiration is still the English poet Wordsworth This study will illuminate this flare up of Romanticism and show the way in which Romanticism re emerges from unexpected quarters
