Williams,2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies *Getting at Jesus* Peter S. Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus **Unhinged** Anna Berry,2014-08-14 Despite all her best efforts to break the cycle of catastrophic destructive patterns of mental illness Anna Berry found herself at the end of her rope unemployed penniless homeless and in the throes of a psychotic episode that threatened to destroy her life Alone and unwell she manages to find her grip on life seeks the help she needs and embarks on a life and career that illustrate that mental illness does not have to be ruinous Unhinged A Memoir of Enduring Surviving and Overcoming Family Mental Illness is a powerful memoir that chronicles Berry s life as both a casualty and survivor of family mental illness From her point of rock bottom to her own recovery as well as her efforts to help her still afflicted mother and brother find hope and healing we see how she struggles to recognize her own illness while coping with the fallout from her family s other victims In telling her story Berry uncovers the difficulties inherent in not only growing up with mental illness among family members but also the frustrations of not being able to recognize or handle the trajectory of her own illness Yet after successfully finding methods of treating her symptoms Berry goes on to become a successful journalist and author who now helps educate the public about mental health through her writing while also serving as her mother s court appointed legal guardian This story shows the devastating impact of mental illness on whole families but offers readers a message of hope and healing Berry s story is sure to resonate with the many people who deal with the mental illness of family members and their own struggles to cope with their own diagnoses [The Secret Life of Oscar Wilde](#) Neil McKenna,2009-03-05 Oscar Wilde said of himself I put all my genius into my life I put only my talent into my work Now for the first time Neil McKenna focuses on the tormented genius of Wilde s

personal life reproducing remarkable love letters and detailing Wilde's until now unknown relationships with other men McKenna has spent years researching Wilde's life drawing on extensive new material including never before published poems as well as recently discovered trial statements made by male prostitutes and blackmailers about Wilde McKenna provides explosive evidence of the political machinations behind Wilde's trials for sodomy as well as his central role in the burgeoning gay world of Victorian London Dazzlingly written and meticulously researched *The Secret Life of Oscar Wilde* fully charts Wilde's astonishing odyssey through London's sexual underworld and paints a frank and vivid psychological portrait of a troubled genius

Lewis and the Catholic Church Joseph Pearce, 2013 C S Lewis the great British novelist and Christian apologist has been credited by many including the author for aiding their journey to the Catholic Church For this reason it is often perplexing that Lewis himself never became Catholic In *C S Lewis and the Catholic Church* Joseph Pearce delves into Lewis's life writings and spiritual influences to shed light on the matter Although C S Lewis's conversion to Christianity was greatly influenced by J R R Tolkien a Catholic and although Lewis embraced many distinctively Catholic teachings such as purgatory and the sacrament of Confession he never formally entered the Church Meticulously researched and beautifully written this book digs deep to present the facts of Lewis's life to illuminate key points in his writings and to ask the question Was C S Lewis on the path to Rome This revised and updated edition with a new introduction by Father Dwight Longenecker is a fascinating historical biographical theological and literary account of a man whose writings have led scores to the Catholic Church despite never having become a Catholic himself
