Vauxhall Mk1 Manual:

Vauxhall Cars of the 1960s and 1970s James Taylor, 2021-02-22 Vauxhalls held a special place in the British motoring scene of the mid twentieth century Solid reliable and respectable they were carefully designed to meet the expectations of buyers and also to meet the global ambitions of General Motors in America the company that owned the Vauxhall marque The book covers just over two decades of Vauxhall history between the late 1950s and the late 1970s that saw Vauxhall producing a succession of fondly remembered models including some genuine classics This new book features the styling engineering and specification changes introduced over the lifetime of the Victor Cresta and Viva ranges and their offshoots It gives full technical specifications of each model and includes a special examination of engine development in this period Finally there is advice about buying each of these models

Vauxhall Cars 1945 To 1995 Trevor Alder, 2024 A comprehensive pictorial history of all Vauxhall cars produced from 1945 up to and including models in production in 1995 This really is the go to publication if you need to compare your Vivas Victors Ventoras or Viceroy's Breaking down the many models into several chapters this is a trip down memory lane for any postwar car enthusiast Comprehensively illustrated the book includes line drawings black white plus colour period photographs together with interior detail All models are covered along with sports derivatives limited editions vans estates coupes It includes a section on motor sport achievements and TV movie appearances Contemporary factory advertising slogans used is key throughout Complimenting the historical content technical specifications key production changes and build figures are also detailed Trevor Alder has been driving Vauxhalls and Opels for many years and has previously written and compiled several Vauxhall Opel publications from his massive self indexed magazine archive The research for this book suggests this a bookshelf must for anyone interested in a slice of Britain's motoring heritage
