transparency and openness financial management public diplomacy and communication the British Council the BBC World Service The Committee is concerned that the FCO is facing serious financial pressures in this financial year due to the Treasury's withdrawal of its support for the Overseas Pricing Mechanism OPM which used to protect departments from the weakening of sterling There is a risk that the FCO may not be able to meet higher international subscriptions over the next two financial years causing its performance against Public Service Agreement targets to suffer The likely increase in the UN Regular Budget and other international subscriptions will push this figure even higher The FCO should have to shoulder the financial burden from within its already tight budget to pay for subscriptions which also benefit other Government departments The Committee recommends that additional nondiscretionary costs should properly be met by the Treasury
