Victim To Victory Heather "Sangeeta" Ferri, 2022-11-03 I believe every soul is born with the birthright to be happy healthy and holy I lost this belief system when my mother abruptly changed mental states and began choking me on a regular basis Spending much of my life with brain damage PTSD and a weak immune system I believe my suffering was for a higher purpose I spent the first ten years of my adult life as a Broadway performer where I utilized tap dance and theater to convey stories and address my inner pain As a child I took an oath never to show my authentic self This book releases the shame held by so many of my ancestors I didn't grow up eating vegan food listening to chants or communicating with my biological tribe on spiritual issues I grew up like many of you in generational abusive patterns where yelling was common and issues were slipped under the table The first thing I learned from my teacher Yogi Bhaian is that there is a way through every block In this book you will discover the journey behind healing oneself to a new mind new body and new life
