**The Great Events of Global History, Vol. 10** Various, 2016-11-08 History if we define it as the mere transcription of the written records of former generations can go no farther back than the time such records were first made no farther than the art of writing But now that we have come to recognize the great earth itself as a story book as a keeper of records buried one beneath the other confused and half obliterated yet not wholly beyond our comprehension now the historian may fairly be allowed to speak of a far earlier day For unmeasured and immeasurable centuries man lived on earth a creature so little removed from the beasts that die so little superior to them that he has left no clearer record than they of his presence here From the dry bones of an extinct mammoth or a plesiosaur Cuvier reconstructed the entire animal and described its habits and its home So too looking on an ancient strange scarce human skull dug from the deeper strata beneath our feet anatomists tell us that the owner was a man indeed but one little better than an ape A few ons later this creature leaves

among his bones chipped flints that narrow to a point and the arch ologist taking up the tale explains that man has become tool using he has become intelligent beyond all the other animals of earth Physically he is but a mite amid the beast monsters that surround him but by value of his brain he conquers them He has begun his career of mastery     **The Atlantic in World History** Karen Ordahl Kupperman,2012-08-23 Introduction thinking Atlantically Atlantic memories Atlantic beginnings Atlantic people Commodities foods drugs and dyes Eighteenth century realities Epilogue the Atlantic
