The Pitcher and the Dictator Averell Smith, 2018 Soon after Satchel Paige arrived at spring training in 1937 to pitch for the Pittsburgh Crawfords he and five of his teammates including Josh Gibson and Cool Papa Bell were lured to the Dominican Republic with the promise of easy money to play a short baseball tournament in support of the country's dictator Rafael Trujillo As it turned out the money wasn't so easy After Paige and his friends arrived on the island they found themselves under the thumb of Trujillo known by Dominicans for murdering those who disappointed him In the initial games the Ciudad Trujillo All Star team floundered Living outside the shadow of segregation Satchel and his recruits spent their nights carousing and their days dropping close games to their rivals who were also stocked with great players Desperate to restore discipline Trujillo tapped the leader of his death squads to become part of the team management When Paige's team ultimately rallied to win it barely registered with Trujillo who a few months later ordered the killings of fifteen thousand Haitians at the border between Haiti and the Dominican Republic Paige and his teammates returned to the states to face banishment from the Negro Leagues but they barnstormed across America wearing their Trujillo All Stars uniforms The Pitcher and the Dictator is an extraordinary story of race politics and some of the greatest baseball players ever assembled playing high stakes games in support of one of the Caribbean's cruelest dictators For more information about The Pitcher and the Dictator visit thepitcherandthedictator.com **American Woodworker** ,1997
