Was There a Fifth Man? Wilfrid Basil Mann, 2014-05-20 Was There a Fifth Man Quintessential Recollections presents the author's personal account of his professional life as an experimental physicist in the service at different times of each of the three countries that joined forces at the Quebec Conference in 1943 to produce the atom bomb The author has been identified though always in a way which was just short of actionable with the so called Fifth Man of the long running British spy saga For his sake and that of his family he felt duty bound to set the record straight before myth had time to trespass on history Making extensive use of dated correspondence and publications he shows precisely where he was at the times that an individual called Basil was supposed to have been operating in collusion with Donald Maclean at the British Embassy in Washington He claims that the misfit between Basil and himself is epitomized by the fact that when Basil was supposed to be entering the scene in Washington for an extensive sojourn the author was actually leaving Washington for the United Kingdom

Air-Launched Doodlebugs Peter C. Smith, 2007-04-13 The V 1 or Doodlebug or Flying bomb came into use in June 1944 and together with the V 2 Rocket was Hitler's final hope in face of the advancing Allied forces sweeping across Europe towards Germany Of the 8 000 that were launched within the first 80 days some 2 300 reached the London area where they caused more death and destruction to its population and buildings As the front line moved eastwards many of the ground based launch ramps became denied to the German forces and the modest range of the missile meant that other means of launching must be considered to continue the threat An air launching system utilizing the Luftwaffe's Heinkel 111 bomber was developed and operated by the newly formed Kampfgeschwader units This posed a dramatic new threat to the UK because the V 1's effective range was considerably increased and its mobile firing point offered a much greater target area when fired from an aircraft flying over the North Sea This is the story of the development and operation of this new form of attack and also of the Allied reaction and defense measures taken to minimize damage **VT Fuse** Marion R.
