Sauls, 2015-03-01 Whether the issue of the day on Twitter Facebook or cable news is our sexuality political divides or the perceived conflict between faith and science today's media pushes each one of us into a frustrating clash between two opposing sides Polarizing us against them discussions divide us and distract us from thinking clearly and communicating lovingly with others Scott Sauls like many of us is weary of the bickering and is seeking a way of truth and beauty through the conflicts Jesus Outside the Lines presents Jesus as this way Scott shows us how the words and actions of Jesus reveal a response that does not perpetuate the destructive fray Jesus offers us a way forward away from harshness caricatures and stereotypes In Jesus Outside the Lines you will experience a fresh perspective of Jesus who will not and should not fit into the sides Imaginarium Claire Rosen, 2017-01-17 **A Fragile Life** Todd May, 2017-03-01 His discussion of the ways in which

those who try to make themselves invulnerable undermine what makes us most human is clear and bracing Los Angeles Review of Books In a moving examination of life and the trials that beset it Todd May shows that our fragility our ability to suffer is actually one of the most important aspects of our humanity May starts with a simple but hard truth suffering is inevitable At the most basic level we suffer physically a sprained ankle or a bad back But we also suffer insults and indifference We suffer from overburdened schedules and unforeseen circumstances from moral dilemmas and emotional heartaches Even just thinking about our own mortality the fact that we only live one life can lead us to tremendous suffering No wonder philosophies such as Buddhism Taoism Stoicism and even Epicureanism all of which counsel us to rise above these plights have had appeal over the centuries May highlights the tremendous value of these philosophies and the ways they can guide us toward better lives but he also exposes a major drawback to their tenets such invulnerability is too emotionally disengaged from the world leading us to place too great a distance between ourselves and our experience Rather than seeking absolute immunity he argues most of us just want to hurt less and learn how to embrace and accept what suffering we do endure in a meaningful way Offering a guide on how to positively engage suffering May ultimately lays out a new way of thinking about how we exist in the world **Manifestations of Warped Rationality** Barbara

Piechocinska, 2018-06-10 We tend to crown Rationality as the one to make our important decisions in life But if we do not watch out its crown easily warps itself into a set of horns as it takes out its perversions on us while its limitations distort our worldview In this short picture book you will find 20 images of what may happen when rationality becomes warped Low Anthropology David Zahl, 2022-09-13 A lighthearted yet high minded exploration of failure's ability to serve as a gateway to grace Readers will find this a balm Publishers Weekly Many of us spend our days feeling like we're the only one with problems while everyone else has their act together But the sooner we realize that everyone struggles like we do the sooner we can show grace to ourselves and others In Low Anthropology popular author and theologian David Zahl explores how our

ideas about human nature influence our expectations in friendship work marriage and politics We all go through life with an anthropology an idea about what humans are like our potentials and our limitations A high anthropology thinking optimistically about human nature can breed perfectionism anxiety burnout loneliness and resentment Meanwhile Zahl invites readers into a biblically rooted and surprisingly life giving low anthropology which fosters hope deep connection with others lasting love vulnerability compassion and happiness Zahl offers a liberating view of human nature sin and grace showing why the good news of Christianity is both urgent and appealing By embracing a more accurate view of human beings readers will discover a true and lasting hope
