We Are Pitbulls:

We Are Pitbulls AnnaLisa Allegretti, 2014-01-10 While some of these dogs are purebred American Pit Bull Terriers APBTs the only true Pit Bull many of them look the part closely enough at first glance that they are lumped in to a loosely formed concept that is popularly referred to as the pit bull or pitbull I intentionally use the single word non capitalized pitbull to refer to dogs under this broad umbrella This is a book about differences similarities and assumptions I started this project by asking people to bring their pitbulls and pit mixes to photo shoots in Pennsylvania New Jersey and Maryland I didn't ask for breeding papers I didn't specify purebred American Pit Bull Terriers I left it up to dog owners to self identify their dogs as pitbulls or mixes because they had decided themselves or been told by a shelter a vet or a DNA test that is what their dogs were The result is a collection of dogs that look very very different from one another and yet if a legislator or a landlord saw any of these dogs he would call them pitbulls The point is that while some of these dogs are purebred American Pit Bull Terriers APBTs the only true Pit Bull many of them look the part closely enough at first glance that they are lumped in to a loosely formed concept that is popularly referred to as the pit bull or pitbull I use the single word non capitalized pitbull to refer to dogs under this broad umbrella The dogs featured here are Boxer mixes American Bulldog mixes Dogo Argentino mixes Whippet Mixes and so many other kinds of breed mixes it will not do to list them all Some of the dogs that look the most Pit Bull actually have the least APBT DNA according to their tests My own Harrison is a strapping young fellow robust blocky headed strong and someone cut his ears but he is more Whippet than Pit Bull Laurelai who started me down this road appears to be purebred APBT As you go through the book you may say to yourself That's not a Pit Bull and you may very well be right but to someone some landlord some shelter volunteer some Breed Specific Legislation enforcer some fearful neighbor or police officer that dog IS a pitbull or pitbull enough The misuse of the term is so rampant that pitbull has become nearly synonymous with dog and while it is true that today's All American mutt has most of the characteristics that also define a true American Pit Bull Terrier we are losing sight of what matters most that a good dog is a good dog no matter what you call him The dogs in this book are each unique in their appearance and personalities but they are united as good dogs family dogs therapy dogs search and rescue dogs and most importantly happy dogs They live with chickens rabbits horses cats other dogs babies cancer patients and humans with special needs The owners in this book are part of a strong and growing movement of educated dog owners who advocate for education and understanding These owners come from wildly different walks of life but follow the same road to liberate their happy dogs from the crushing weight of societal misconceptions Hopefully seeing how different each dog in this project is from the next will illuminate how impractical and absurd it is to refer to them all with one label of any kind Part of the proceeds from each sale go to pitbull friendly rescues and dogs in need

great heart and passion about a dog breed disenfranchised not because of what they are but because of what we imagine them to be I love stories that support the underdog and Jolene's tale of her beloved pit bull terrier is exactly that It is also a delight to read and a worthy story to ponder And you will fall in love with Rumer Ill promise you that Susan Knillans McElroy author of *Animals As Teachers and Healers* and *Animals as Guides for the Soul* Jolene has truly captured the ways animals enrich and bless our lives in profound ways Not only is *Angel On My Shoulder* a story of an exceptional loving pit bull named Rumer it is on a larger scale the defense of a gentle loyal breed that has been much maligned and misunderstood May it help everyone understand both the true nature of the American Pit Bull as well as the true nature of love Katrina Kittle author of *The Kindness of strangers* and *The Blessings of the Animals* Far more than any other breed the American pit bull represents different things to different people Badly managed dogs grab headlines because their behavior is atypical Jolene's experience represents the far less shocking though no less fascinating reality of life with a peaceful loving comedic pit bull as best friend If you enjoy tales of true love you will value this story Diane Jessup author of *The Working Pit Bull* and *The Dog Who Spoke With Gods* On a bitterly cold February day in 1992 a woman named Jolene found herself with a choice to make the brindle puppy in a kindly stranger's left palm or the red puppy in his right For Jolene Mercadante a librarian and lifelong animal advocate this was the first tentative step on a journey that would impact the way she lived the rest of her life She had no way of knowing how Rumer a single little soul the size of a sausage was about to change her life Through all of life's great adventures the perfect five week old baby the lanky rebellious teenager the extraordinary splendid adult Rumer was a creature of humor and love She joyfully shattered the unjust pit bull stereotypes She might not have been a heroic rescue dog a therapy dog or a war hero there are other pit bulls who can claim this fame But Rumer did touch the lives of everyone who knew her and that made her heroic in her own way She did save us she did rescue us and she was our hero in so many ways Rumer was an ordinary dog who lived an ordinary life but that's what made her extraordinary This memoir is an unforgettable love story and an uplifting journey brought about by the life of a truly pure and beautiful soul
