information based on comprehensive testing and reliability data 240 photos Time of Grace Ken Lamberton, 2015-11-01 I hole up in my own cozy cubicle and write considering ways to make the approaching Thanksgiving holiday not just another day in this place In prison hope faces east time is measured in wake ups Time of Grace is a remarkable book written with great eloquence by a former science teacher who was incarcerated for twelve years for his sexual liaison with a teenage student Far more than a prison memoir it is an intimate and revealing look at relationships with fellow humans and with the surprising wildlife of the Sonoran Desert both inside and beyond prison walls Throughout Ken Lamberton reflects on human relations as they mimic and defy those of the natural world whose rhythms calibrate Lamberton s days and years behind bars He writes with candor about his life while observing desert flora and fauna with the insight and enthusiasm of a professional naturalist While he studies a tarantula digging her way out of the packed earth and observes Mexican freetail bats sailing into the evening sky Lamberton ruminates on his crime and on the wrenching effects it has had on his wife and three daughters He writes of his connections with his fellow inmates some of whom he teaches in prison classes and with the guards who control them sometimes with inexplicable cruelty And he unflinchingly describes a prison system that has gone horribly wrong a system entrapped in a self created web of secrecy fear and lies This is the final book of Lamberton s trilogy about the twelve years he spent in prison Readers of his earlier books will savor this last volume Those who are only now discovering Lamberton s distinctive voice part poet part scientist part teacher and always deeply achingly human will feel as if they are making a new friend Gripping sobering and beautifully written Lamberton s memoir is an unforgettable exploration of crime punishment and the power of the human spirit **Branching Out and Taking Risks in the 1980s**
