United Methodist Church Lectionary For 25:

Scripture and Memory Fritz West,1997 The history of the three year lectionaries tells a tale of an evolving hermeneutic Originating in the Roman Lectionary this hermeneutic was developed in subsequent denominational and ecumenical versions most recently the Revised Common Lectionary In keeping with the broad appeal of the three year lectionary pattern the hermeneutic is ecumenical in character An amalgam of the historical hermeneutics of the two western traditions it uses both the memory of the Church to interpret the Bible and the Bible to structure the memory of the Church After an examination of the hermeneutic West lays out the memory patterns of the two most widely used versions of this lectionary the Roman Lectionary and the Revised Common Lectionary *Christian Worship in North America* James F. White,2007-12-01 In recent years scholars have paid increasing attention to the richness and diversity of North American contributions to Christian worship This volume of articles by James F White summarizes a major segment of liturgical history 1955 1995 Characteristic North American emphases such as liturgy and justice are highlighted along with other issues growing out of the worship context of the New World **New Common Lectionary for the United Methodist Church** United Methodist Church (U.S.),1988* **Women and Twentieth-century Protestantism** Margaret Lamberts Bendroth,Virginia Lieson Brereton,2002 Contributors consider the emergence of Latina Pentecostal clergy in the United States and the success of the Women s Missionary Union of the Southern Baptist Convention in remaining independent of male dominated denominational structures Among other topics the authors discuss Chinese immigrant women who embraced the relative freedom offered by Protestant religion African American women who assumed religious authority through their historical writing and the struggles of women faith healers in defining their role amid medical and evangelical professionalism **Unto Us a Child Is Born** Tyler D. Mayfield,2020-06-09 Whether through a hymn Handel s Messiah or the lectionary reading the book of Isaiah provides a familiar voice for congregations during the season of Advent So how do we create faithful Christian interpretations of Isaiah for today while respecting the interpretations of our Jewish neighbors Integrating biblical scholarship with pastoral concern Tyler Mayfield invites readers to view Isaiah through two lenses He demonstrates using near vision to see how the Christian liturgical season of Advent shapes readings of Isaiah and using far vision to clarify our relationship to Jews and Judaism showing along the way how near vision and far vision are both required to read Isaiah clearly and responsibly **The United Methodist Periodical Index** ,1981 *Christian Worship* Michael N. Jagessar,Stephen Burns,2014-09-19 Postcolonialism has greatly influenced biblical and theological criticism but has not yet entered the realm of church worship and practice Christian Worship brings the insights of postcolonial thinking to the rituals of religious life The book critically analyses liturgical theology through the lens of postcolonialism and explores the challenges of appropriating postcolonial perspectives in Christian worship Ranging from liturgical texts and song to Scripture lectionaries festivals and sacraments this volume offers a fresh approach to liturgy that will be of interest to
