European VAT and the Sharing Economy Giorgio Beretta, 2019-10-24 A breadth of new digital platforms has dramatically expanded the range of possibilities for exchanging anything required by business or personal needs from accommodation to rides In the virtual marketplaces shaped and ruled by these novel matchmakers rather than by a single centralized entity value is created through the granular interaction of many dispersed individuals By allowing instantaneous and smooth interaction among millions of individuals platforms have indeed pushed the digital frontier farther and farther so as to include within it even services once not capable of direct delivery from a remote location such as accommodation and passenger transport Legal disruption is also underway with foundational dichotomous categories such as those between suppliers and customers business and private spheres employees and self employed no longer viable as organizational legal structures This is the essential background of the first book to relate what is synthetically captured under the umbrella definition of sharing economy to key features at the core of European Value Added Tax EU VAT and to look at the feasibility of a reformed EU VAT system capable of addressing the main challenges posed by these new models of production distribution and consumption of goods and services Specifically the study analyses five legal propositions underpinning the current EU VAT system as the following taxable persons taxable transactions composite supplies place of supply rules and liability regimes for collection and remittance of VAT Exploration of these five legal propositions is meant to assess the practical feasibility of shoehorning the main sharing economy business models notably those available in the accommodation and passenger transport sectors into the framework of existing EU VAT provisions The author further draws on the normative standards of equality neutrality simplicity flexibility and proportionality

to test the reflexes of the current EU VAT system in the sharing economy domain Opportunities for reform of the current EU VAT system are in turn evaluated with each chapter including cogent proposals in the form of incremental and targeted amendments to the current EU VAT provisions As the first comprehensive analysis of the treatment of the sharing economy for VAT purposes the book provides not only a theoretical framework for future studies in the tax field but also indispensable practical guidance for VAT specialists confronting daily with the many challenges ushered in by the sharing economy Moreover the various solutions and recommendations advanced in the book offer valuable insights to international and national policymakers dealing with similar issues under other VAT systems Empathy Pathways Andeline dos

Santos,2022-09-07 Many descriptions of empathy revolve around sharing in and understanding another person's emotions One separate person gains access to the emotional world of another An entire worldview holds up this idea It is individualistic and affirms the possibility of access to other people's inner world Can we really see inside another though And are we discrete separate selves How can we best grapple with these questions in the field of music therapy In response this book offers four empathy pathways Two are situated in a constituent approach that prioritises discrete individuals who then enter into relationships with one another and two are located in relational approaches that acknowledge the foundational reality of relationships themselves By understanding empathy more fully music therapists teachers and researchers can engage in ways that are congruent with diverse worldviews and ways of being Examples used in the book are from active and receptive music therapy approaches as well as from community and clinical contexts so as to provide clear links to practice This book will be a valuable resource for academics and postgraduate students within music therapy and allied fields including art therapy drama therapy dance movement therapy psychology counselling occupational therapy and social development studies **Afrikaans Linguistics** WAM Carstens,Nerina Bosman,2024-10-03 Offering a contemporary

exploration of the multifaceted landscape of Afrikaans linguistics Afrikaans Linguistics Contemporary Perspectives marks a seminal contribution to the field This volume for the first time presents accessible insights into diverse linguistics subdisciplines inviting international scholars to familiarise themselves with Afrikaans language studies Throughout much of the late 19th and 20th centuries Afrikaans scholars predominantly communicated in Afrikaans resulting in a significant gap in the dissemination of knowledge about the language The chapters in this book written by prominent South Africans as well as international scholars working in the field of Afrikaans serve as a pivotal bridge by providing essential historical context while also paying attention to the development of Afrikaans linguistics during the 20th century The primary focus remains on illuminating 21st century research trajectories offering a comprehensive snapshot of contemporary scholarship in Afrikaans linguistics *Annual Report* National Research Foundation (South Africa),2016 **Routledge Handbook of Public**

Policy in Africa Gedion Onyango,2021-12-30 This Handbook provides an authoritative and foundational disciplinary overview of African Public Policy and a comprehensive examination of the practicalities of policy analysis policymaking

processes implementation and administration in Africa today The book assembles a multidisciplinary team of distinguished and upcoming Africanist scholars practitioners researchers and policy experts working inside and outside Africa to analyse the historical and emerging policy issues in 21st century Africa While mostly attentive to comparative public policy in Africa this book attempts to address some of the following pertinent questions How can public policy be understood and taught in Africa How does policymaking occur in unstable political contexts or in states under pressure Has the democratisation of governing systems improved policy processes in Africa How have recent transformations such as technological proliferation in Africa impacted public policy processes What are the underlying challenges and potential policy paths for Africa going forward The contributions examine an interplay of prevailing institutional political structural challenges and opportunities for policy effectiveness to discern striking commonalities and trajectories across different African states This is a valuable resource for practitioners politicians researchers university students and academics interested in studying and understanding how African countries are governed

The Top Books of the Year University Of Pretoria 2016 Application Form The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. University Of Pretoria 2016 Application Form : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. University Of Pretoria 2016 Application Form : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
