Strategic Communication Management for Development and Social Change Tsietsi Mmutle,Tshepang Bright Molale,Olanrewaju Olugbenga Akinola,Olebogeng Selebi,2023-12-13 This book is the first of its kind within the African region to combine scholarly perspectives from the fields of Strategic Communication Management and Communication for Development and Social Change It draws insights from scholars across the African continent by unravelling the complementary nature of scholarship between the two fields through the lens of prevailing governance and sustainability

challenges facing African countries today This edited volume covers issues that have adversely affected the achievement of goals related to humanitarian upliftment development and social change for all African nations Consequently citizen participation which lies at the heart of these challenges when considering the question of sustainable governance and policy development for social change in an African context is addressed To this end a reflection is also made on various case studies that exist where local citizens do not inform sustainable development programmes while the promotion of bottom up development and social change is largely replaced by top down instrumental action approaches and hemispheric communication instead of strategic communication Themes explored include Communication for social change bottom up development and social movements in the local government sphere Strategic communication in governance planning and policy reforms The role of multi stakeholder partnerships in achieving development of objectives geared towards good governance in Africa Public participation protests and resistance from below Public sector health communications and development Media relations accountability and contested development narratives with the Fourth Estate Social media and eParticipation in government development programs

TMS 2015 144th Annual Meeting & Exhibition, Annual Meeting Supplemental Proceedings The Minerals, Metals & Materials Society (TMS),2016-12-20 **Lean Six Sigma For Higher Education: Research And Practice** Jiju Antony,V Raja Sreedharan,Ayon Chakraborty,2020-07-13 Lean Six Sigma is one of the operational excellence methodologies that has been widely adopted in manufacturing service and healthcare sectors There are few articles discussing Lean Six Sigma in the Higher Education context This book is a collection of articles carefully edited by three academics and practitioners who are based in the Higher Education sector The book contains state of the art literature review articles empirical studies emerging trends on Lean Six Sigma in Higher Education and case study related papers Lean Six Sigma for Higher Education caters to students researchers and academics who are interested in understanding the rudimentary concepts of Lean Six Sigma It also covers the challenges and barriers in implementation and sustenance of this powerful operational and service excellence methodology *University on the Border* Lis Lange,Vasu Reddy ,Siseko H. Kumalo,2021-08-27 The volume explores and thinks through the process of decolonising the South African higher education system by examining MustFall The text offers theoretical insights from a historical contemporary and multidisciplinary lens while examining the embedded meanings of the university as an institution idea and set of practices to show the shifts and changes that were inaugurated by MustFall along with the historicities that define the university both locally and globally The retro and prospective insights presented in the book surface the crisis of authority that places the university in a state of precarity which is framed in the book as the border The volume proposes the concept of the border recognising its conceptual and analytical dynamism as a generative space that can facilitate new imaginaries and articulations of this social institution the university **The Origin and Growth of Geography as a discipline at South Africa Universities** Gustav Visser,Ronnie Donaldson,Cecil Seethal,2016-09-20

Governance as a Catalyst for Public Sector Sustainability Baporikar, Neeta, 2023-03-27 Proper implementation and the practice of governance in the public sector improve organizational performance through increased efficiency productivity quality and innovation Ultimately governance helps organizations make better decisions streamline processes and reduce re work whilst also increasing integrity by bringing transparency and greater collaboration among stakeholders Governance as a Catalyst for Public Sector Sustainability examines the concepts that have powerfully influenced development policy and investigates the role of governance in these institutions and how they have affected current development discourse Covering topics such as public health sector sustainability institutional participatory governance and human resource information systems this premier reference source is an excellent resource for government officials policymakers students and educators of higher education librarians researchers and academicians

Informal Sector Innovations Mammo Muchie, Saradindu Bhaduri, Angathevar Baskaran, Fayaz Ahmad Sheikh, 2017-10-02 It is well documented that the space of informal economic activity is rising across the globe This rise has been particularly significant in the least developed and developing countries especially after the onset of neo liberal policies and withdrawal of welfare state There has also been a shift in academic thinking on informal sector with attempts being made to understand the contribution of informal sector in generating employment and economic growth rather than focusing solely on exploitative labour conditions in these economic activities Indeed with the retreat of welfare state and the introduction of contract labour in the formal sector many issues related to occupational hazards and improper labour conditions do not remain unique to the informal sectors of the economy particularly in less developed countries This volume addresses a specific concern the issue of knowledge generation and innovative activities which lies at the core of sustained competitive advantage of these activities The chapters in this book were originally published in the African Journal of Science Technology Innovation and Development
