attention to the importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geopolitical location of South Africa within southern Africa where the presence of other nations particularly Angola Mozambique Namibia and Zimbabwe looms large Aso Ebi Okechukwu Charles Nwafor,2021-05-24 The Nigerian and West African practice of aso ebi fashion invokes notions of wealth and group dynamics in social gatherings Okechukwu Nwafor's volume Aso ebi investigates the practice in the cosmopolitan urban setting of Lagos and argues that the visual and consumerist hype typical of the late capitalist system feeds this unique fashion practice The book suggests that dress fashion aso ebi and photography engender a new visual culture that largely reflects the economics of mundane living Nwafor examines the practice's societal dilemma whereby the solidarity of aso ebi is dismissed by many as an ephemeral transaction A circuitous transaction among photographers fashion magazine producers textile merchants tailors and individual fashionistas reinvents aso ebi as a product of cosmopolitan urban modernity The results are a fetishization of various forms of commodity culture personality cults through mass followership the negotiation of symbolic power through mass produced images exchange value in human relationships through gifts and a form of exclusion achieved through digital photo editing Aso ebi has become an essential part of Lagos cosmopolitanism as a rising form of a unique visual culture it is central to the unprecedented spread of a unique West African fashion style that revels in excessive textile overflow This extreme dress style is what an individual requires to transcend the lack imposed by the chaos of the postcolonial city **The Strategic Repositioning of Arts, Culture and Heritage in the 21st Century** George Mugovhani,Owen Seda,2018-06-11 The post millennium world has been experiencing several recognisable historical milestones with regard to arts culture and heritage One of these has been the resuscitation and revival of creative elements of the arts culture and heritage of previously marginalised or disadvantaged communities around the world Until recently there had been scant regard and skewed allocation of resources for these but lately attempts have been made to promote and sustain them in order to enable the socio economic aspirations of a multicultural society The contributions brought together here are the product of papers that were presented during a conference on Strategic Repositioning of Arts Culture and Heritage in the 21st Century They cover a broad spectrum of subjects such as indigeneity music song and identity politics national reconciliation education product development and national development Places of Privilege ,2018-07-19 Places of Privilege examines dynamics of privilege and power in the construction of place in a period of the rapid social transformation of places borders and boundaries Drawing on inter disciplinary perspectives the book examines place as a site for the making and re making of privilege while considering new meanings of community and examining spaces for cultural identity and resistance Chapters point to a range of conceptual resources that can be utilised to produce critical analyses of place making As the authors point out power and privilege shape place but these dynamics are in turn shaped by the specific place based histories and social dynamics within which they are located Contributors are Lutfiye Ali Alison M Baker Paola Bilbrough Tony Birch Jora Broerse Sally Clark
