Unlocking Your Dreams Student Manual:

Introduction to Family History Student Manual , Religion 261 Introduction to Family History is a one semester course in which you will learn gospel doctrines and principles essential to the work of redeeming the dead and how to find information about your ancestors that is needed to perform saving ordinances for them The Lord has revealed that a great missionary effort is under way in the spirit world see D for if this were so this whole people with very few if any exceptions would lose all interest in the riches of the world and instead thereof their whole desires and labors would be directed to redeem their dead to perform faithfully the work and mission given us on earth so that when we ourselves should pass behind the veil and meet with Joseph and the ancient apostles and others who are watching over us and who are deeply interested in our labors we might feel satisfied in having done our duty The Discourses of Wilford Woodruff ed G Homer Durham 1946 152
