Until Alex Kindle Edition J Nathan:

Until Alex J. Nathan, 2014-06-17 On the outside Hayden is every girl's living breathing fantasy brooding and devastatingly gorgeous And while he spends his nights losing himself in alcohol and faceless girls it's all just a facade An elaborate cover for the emotionless shell of a man he is One who harbors too many secrets and destroys lives the way his was destroyed It's the reason he avoids relationships and keeps everyone at arm's length Until Alex Alex's life just shattered into a million pieces leaving her with more grief than she knows what to do with and guilt so deep it's destroyed the carefree girl she once was Now she's hundreds of miles from home living with an aunt she doesn't know finishing senior year at a college she's never been to and trying desperately to get through a single day without breaking down She's never felt more alone in her life Until Hayden The trouble with Hayden is who he wants to be and who he is are in constant flux And though he'd die before letting Alex learn the truth about him he can't be sure he's strong enough to let her in or push her away She's the one person who just might see the real him

100 Entertainers Who Changed America Robert C. Sickels, 2013-08-08 This fascinating and thought provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from outside the worlds of film television and music as influential pop stars Comprising approximately 100 entries from more than 50 contributors from a variety of fields this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture not their popularity The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers Each subject individual's influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches Many entries examine commonly discussed figures influence on popular culture in ways not normally seen for example the widespread appeal of Woody Allen's essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams plays in breaking down Hollywood censorship

Memory Politics in the Shadow of the New Cold War Grzegorz Nycz, 2021-12-06 This book addresses memory politics and their evolution as an academic discipline including memory studies It explores national and international debates about conflicting interpretations of the recent past including WWII remembering the annexation of Ukraine the reformed history teaching in Putin's Russia Historikerstreit and the holocaust in Germany and the legacy and role of nuclear weapons in international relations in the USA in the context of the so called New Cold War
