It is not a love story it is a story about love Until I Met You (Restoring Heritage Book #2) Tari Faris,2020-09-08 When she hears that the small town of Heritage Michigan is looking for a new librarian Libby Kingsley jumps at the opportunity Little did she know the library is barely more than a storage closet stuffed with dusty outdated books What the community really needs is a new building But the only funds available are those being channeled into the new town square and the landscape architect in charge of the project wants nothing to do with her plans All Austin Williams wants to do is get the town square project finished so he can do right by the family business and then extricate himself from the town that reveres the brother who cost him so much But the local media and the town s new librarian seem to be conspiring against him at every turn Will the determined bookworm find her way into his blueprints and possibly even his heart Novelist Tari Faris invites you back to the small town with a big heart in this second book in the Restoring Heritage series *Love Won't Let Me Be Silent* Terry Angel Mason,2009-07-08 *Love Wont Let Me Be Silent* is a collection of writings short stories and poems exploring the experiences and trials of parenthood from an African American gay male perspective and sensitively chronicles Masons search for love and self hood These masterfully creative writings express candidly the views of countless gay African Americans who are vibrant with the faith and energy of America s Black Church yet bristling with the pain and anger of America s racial and homophobic injustice While many still speculate over whether Dr Martin Luther King Jr would have supported gay rights Mason boldly points out that it is absolutely inconceivable that Dr Martin Luther King Jr would endorse anything that smacks of discrimination and bigotry against any group since it is opposed to everything he believed in as a humanitarian and Civil Rights leader Mason is an extraordinary poet who eloquently expands and redefines the traditional idea of the love poem in creative and ingenious ways Each poem story and article is suffused with restoration history love and ferocious courage He also gives us an honest glimpse into the life of a young Angel Mason who experienced the pangs of growing up in a not so tolerant world as an African American gay teen America has barely smoothed its feathers ruffled badly last year by the California Supreme Courts initial decision to lift the ban on gay marriage followed by a divisive election that reversed the decision and placed the matter again before the California Supreme Court for repeal These chilling events led to an epiphany that compelled him to write *Love Wont Let Me Be Silent* These electrifying writings are destined to make him one of the foremost voices of the African American gay experience We have no doubt that the artistry and enduring vision that Mason demonstrates in this inspiring book will cause a revolutionary awakening in America and continue to influence our culture reshape our thinking and touch our hearts and lives for decades **Catalog of Copyright Entries** Library of Congress.
