Until Shiloh Comes:

Until Shiloh Comes Cy Mersereau, 2017-08-02 It is incredible that the first promise of a coming Messiah came not to our first parents Adam and Eve but to the serpent who had so deceitfully engineered their downfall Genesis 3 15 records that God's promised Seed of the woman was destined to defeat the seed of the serpent which anticipated the gospel of the Lord Jesus Christ This is known as the first good news or proto evangelium whose blessed promise became the focal point of the entire Old Testament Threading its way through Abraham and his descendants this promise came to rest on his great grandson Judah and remained there for all succeeding generations finding fruition in the first coming of the Messiah indicated by the words of Genesis 49 10 until Shiloh comes Throughout history Bible scholars have largely agreed that Shiloh which means peace references the first coming of the Lord Jesus Christ the Prince of Peace the Lion of the tribe of Judah The Old Testament is the foundational document for all that follows in the New Testament and should never be relegated to inferior status These older scriptures were given for our admonition and should be esteemed and appreciated in the same manner as the New Testament writings until Shiloh comes the second time **Commentary on the Old Testament** Daniel Denison Whedon, 1889 *Until Shiloh Comes* R. M. Peters, 1988 Until Shiloh Comes Karl A. Bacon, 2015-03-16 In the Civil War Battle of Shiloh two soldiers are among the many thousands wounded or killed One is Stanley a Yankee shot his leg broken The other is a Confederate mortally wounded the son of a local Christian family Stanley tells Davina the Confederate's mother where her son is on the condition that she will nurse him back to health In spite of her anger that a Yankee should demand this of her she agrees Before her son dies he urges his mother to take care of the Union soldier as if he were her own son Davina's family is outraged that the soldier whose army killed their brother is being allowed to recover in their home But her youngest son Willy who is blind befriends Stanley Eventually her teenaged daughter Anna and Stanley fall in love But the oldest remaining son Luke resists Stanley with all his heart Stanley befriends a slave family the Jacksons and they lead him to faith in Christ But Luke's bitterness grows and after wounding Stanley he betrays him to a slave trader Can Stanley escape and remain with the family he has come to love Until Shiloh Comes is a story of love love between Stanley and Anna and love among the members of the two families on the farm one white one black It is a story of honor and loyalty It is a story of personal choices and their consequences And once you have begun this new novel you won't be able to put it down Till Shiloh Comes Gilbert Morris, 2005 Each independent story brings to life God's unchanging promises and amazing plans through the timeless story of Joseph **The Old Testament Names of God** W. H. Lockyear, 1999-09-30 The Idea of Biblical Interpretation James L. Kugel, Judith H. Newman, Judith Hood Newman, 2004 In this Festschrift James Kugel's creative scholarship in biblical interpretation provides the inspiration for a wide ranging collection of essays that treat the history of Jewish and Christian scriptural interpretation from antiquity to the present *Abraham Bar Hiyya on Time, History, Exile and Redemption* Hannu Töyrylä, 2014-07-03 An analysis of Megillat ha Megalleh by Abraham Bar Hiyya 12th c

as a complete text in its historical and cultural context showing that the work written at a time when Jews increasingly came under Christian influence and dominance presents a coherent argument for the continuing validity of the Jewish hope for redemption In his argument Bar Hiyya presents a view of history the course of which was planted by God in creation which runs inevitably towards the future redemption of the Jews Bar Hiyya uses philosophical scientific biblical and astrological material to support his argument and several times makes use of originally Christian ideas which he inverts to suit his argument
